Dear Chief Gardner:

I am writing this letter in support of [AGENCY] and their funding request for the FY25-26 Online Sting Operations Grant Program for Local Law Enforcement. The applicant agency has met the below criteria:

- The applicant agency is a signed affiliate with the regional Internet Crimes Against Children (ICAC) Task Force.
- Individuals within the applicant agency using requested equipment have attended required ICAC training.
- The applicant agency adheres to ICAC standards.
- The applicant agency acknowledges it must provide performance measures each month along with the reimbursement claim such as stats related to:
 - Arrests made
 - Children rescued
 - Seizures
 - Victims identified
 - Digital devices examined
- The applicant agency acknowledges any renewal costs for requested equipment and software beyond the grant period must be covered by the recipient agency.

I endorse the [AGENCY]'s requests for this funding and am confident that they will utilize the funds effectively to further their creation of sting operations to target individuals who are soliciting children online.

Sincerely,
