

Steps for Non-Reported Kit Transport to FDLE for Storage Only

Medical Facility

- Victim - NO report to LEA
- Kit anonymously labeled
- In Track-Kit, 'FDLE Storage' selected as 'Storage Location'
- Local LEA contacted for transport to FDLE or kit held for transport to FDLE

Law Enforcement

- Pick up non-reported kit from medical facility
- Chain-of-custody maintained
- NO Track-Kit entry
- NO Prelog entry
- Bring kit to FDLE for storage

FDLE

- Non-reported kit entered into lab evidence management system for storage
- LEA signs for delivery
- Track-Kit entry for kit storage "pickup"
