

RECOVERY AGENT HANDBOOK

**Florida Department of
Agriculture and Consumer Services**
Adam H. Putnam, Commissioner

Florida Department of Agriculture and Consumer Services

A message from the Commissioner:

In obtaining a Florida license as a recovery agent, you enter a profession that provides a valuable service to the financial community. The Department of Agriculture and Consumer Services, Division of Licensing, has the legal duty to regulate the recovery industry in this state. In carrying out that duty, the Division has authority to investigate any violation of Chapter 493, Florida Statutes, the law governing the recovery profession.

The courts have found that a professional license is a privilege, not a right. Violations may result in denial of an application, fines and the suspension or revocation of a license granting that privilege. Knowledge of the law reduces the probability of violating it. This handbook is provided to assist licensees and agencies in that knowledge. I hope it will be helpful to you.

If you have any questions, the Division of Licensing staff will be happy to assist you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Adam H. Putnam".

Adam H. Putnam
Commissioner

RECOVERY GUIDELINES

I. LAW - Chapter 493, Florida Statutes

The following explanations of the law are intended to assist applicants and licensees in understanding the basic requirements and restrictions of Chapter 493, Florida Statutes. Please note that this handbook does not constitute the entirety of the law. Individuals seeking a more comprehensive understanding of the law are directed to carefully read and study Chapter 493, Florida Statutes, as well as Chapter 5N-1, Florida Administrative Code.

II. REGULATED ACTIVITY – Repossession

Definition – The recovery of a motor vehicle as defined under s.320.01(1), a mobile home as defined in s.320.01(2), a motorboat as defined under s.327.02, an aircraft as defined in s.330.27(1), a personal watercraft as defined in s.327.02, an all-terrain vehicle as defined in s.316.2074, farm equipment as defined under s.686.402, or industrial equipment, by an individual who is authorized by the legal owner, lienholder, or lessor to recover, or to collect money payment in lieu of recovery of, that which has been sold or leased under a security agreement that contains a repossession clause. As used in this subsection, the term “industrial equipment” includes, but is not limited to, tractors, road rollers, cranes, forklifts, backhoes, and bulldozers. The term “industrial equipment” also includes other vehicles that are propelled by power other than muscular power and that are used in the manufacture of goods or used in the provision of services. A repossession is complete when a licensed recovery agent is in control, custody, and possession of such repossessed property.

Section 493.6101(22), F.S

III. TYPES OF LICENSES

a. Recovery Agent – Class “E” license – Any individual who performs repossession services must have a Class “E” Recovery Agent license and must be employed by a licensed Class “R”

Recovery Agency or Class “RR” Branch Office. Class “E” licensees may not engage in repossession services except through a licensed agency. Class “E” licensees may not subcontract.

Sections 493.6401(4) and (6), F.S.

“In-House” repossessors see Section IV.

Example: A licensed Class “E” Recovery Agent or Class “EE” Recovery Agent Intern employed by a licensed recovery agency cannot solicit or accept fees for repossession of vehicles from a used car dealer or lienholder independent of his or her licensed agency.

b. Recovery Agent Intern – Class “EE” license – Any individual who performs repossession services as an intern under the direction and control of a designated sponsoring Class “E” licensee or designated sponsoring Class “MR” licensee. Class “EE” licensees may not engage in repossession activities except through a licensed agency. Class “EE” licensees may not subcontract; they must work for a Class “R” agency or “RR” branch office.

Section 493.6401(5), F.S.

c. Recovery Agency – Class “R” license – Any person, firm, company, partnership or corporation which engages in business as a recovery agency must possess a Class “R” license. A Class “R” license is valid for only one location. A Class “R” license is valid for only one location. A Class “R” agency cannot subcontract with a Class “E” Recovery Agent or Class “EE” Recovery Agent Intern, but that agency may subcontract with other licensed recovery agencies. Agencies must notify the Division of any changes in officers, ownership or location. Agency licenses that reflect incorrect information due to such changes are in violation of Chapter 493, F.S.

Sections 493.6401(1) and 493.6112(1), F.S.

d. Branch Office – Class “RR” license – Each branch office of a Class “R” agency shall have a Class “RR” license.

Section 493.6401(2), F.S.

e. Agency Managers – Class “MR” license – Any individual who performs the services of a manager for a Class “R” Recovery Agency or a Class “RR” Branch Office must have a Class “MR” Recovery Agency Manager license. A Class “E” licensee may be designated as a manager in lieu of the Class “MR” licensee. Class “MR” licensees cannot subcontract; they must work for a Class “R” Recovery Agency.

Section 493.6401(3), F.S.

Example: The owner of a Class “R” Recovery Agency who is licensed as a Class “E” Recovery Agent may designate himself or herself as the agency manager and is not required to possess a Class “MR” license.

Example: An owner of a Class “R” Recovery Agency may designate a Class “E” licensee as manager of the Class “R” agency or a Class “RR” branch office.

Each agency or branch office shall designate a minimum of one appropriately licensed individual to act as manager, directing the activities of the Class “E” and/or Class “EE” employees.

f. Recovery Agent School Instructor – Class “RI” license – A person who teaches or instructs at a Class “RS” Recovery Agent School or Training Facility must have a Class “RI” license. Instructors who are full-time faculty members and who teach exclusively for public educational facilities are exempt from this requirement.

Section 493.6401(8), F.S.

g. Recovery Agent School – Class “RS” license – Any school or training facility which teaches or instructs applicants for Class “E” or “EE” licensure shall have a Class “RS” license. Class “RS” facilities can offer qualifying training to students in a number of ways: in a traditional classroom setting, through an online course made available via the Internet, or through a home study-correspondence training course.

Section 493.6401(7), F.S.

h. Unless the license is suspended or revoked by the Division of Licensing, licenses are valid for 2 years, except for the Class “R” Recovery Agency license and the Class “RR” agency branch license, which are valid for 3 years. The licensee is responsible for renewing his or her license on time. Although the Division sends the licensee a renewal notice approximately 120 days prior to the expiration date of the license, the licensee is ultimately responsible for renewing his or her license in a timely manner even if the renewal notice was not received.

Sections 493.6111(2) and 493.6113, F.S.

i. The Class “E” Recovery Agent licensee, Class “EE” Recovery Agent Intern licensee, or Class “MR” Recovery Agent Manager licensee must be in possession of his or her license while engaged in regulated activities.

a. Any bank or bank holding company, credit union, or small loan company operating pursuant to chapters 516 and 520; any consumer credit reporting agency regulated under 15 U.S.C. ss.1681 et seq.; or any collection agency not engaged in repossessions or to any permanent employee thereof.

Section 493.6102(7), F.S.

Example: An individual who has an employer-employee relationship with a credit union or small loan company operating pursuant to chapters 516 and 520 must be licensed to repossess for anyone other than his or her employer.

b. Certified law enforcement officers who engage in repossession services off-duty are NOT exempt from the licensure requirements and must possess a Class “E” or Class “EE” license and be employed by a Class “R” agency.

Section 493.6102(1), F.S.

V. TRAINING REQUIREMENTS

a. An applicant for a Class “E” Recovery Agent license must have at least one (1) year of lawfully gained, verifiable full-time experience in repossession activity or as a Class “EE” Recovery Agent Intern or a total of one (1) year in a combination of both. Lawful in-house experience, even though unlicensed, is creditable.

Section 493.6403(1)(c), F.S.

Example: An applicant for Class “E” licensure cannot use experience as an unlicensed independent contractor because it would not have been lawfully gained and would have been in violation of Chapter 493.

b. An applicant for a Class “E” or “EE” license must have a minimum of forty (40) hours of professional training at a school or training facility licensed by the department. Licensed training facilities must teach, at a minimum, the curriculum prescribed by the Division of Licensing.

Rule 5N-1.138, F. A. C.

VI. SPONSORSHIP OF INTERNS

- a. Only a Class “E” or Class “MR” licensee may sponsor a Class “EE” Recovery Agent Intern.
- b. An internship may not commence until the intern is licensed, or has submitted a completed application, and the sponsor has submitted the notice of intent to sponsor to the department. Such notice shall be on a form provided by the department.
- c. Internships are intended to serve as a learning period, during which time sponsors shall assume a training role by providing direction and control of interns. Sponsors shall only sponsor interns who in fact and routinely operate from an office which is within a 50-mile distance of the sponsor’s place of business and shall not allow interns to operate independently of such direction and control, or require interns to perform activities which do not enhance the intern’s qualification for licensure.
- d. A Class “E” or “MR” licensee may not sponsor more than six (6) interns at the same time.
- e. A sponsor shall certify completion or termination of an internship to the department within fifteen (15) days of such occurrence. The certification shall be on a form provided by the department.
- f. A sponsor shall certify a biannual progress report on each intern. The report shall be made on a form provided by the department.

Sections 493.6116(1) - (5), F.S.

VII. FIREARMS

The law prohibits a licensed recovery agent or a licensed recovery agent intern from carrying a firearm on his or her person while on private property and in the course of repossession activities. This restriction applies even if the licensee possesses a Class “G” Statewide Firearm license by virtue of other licensure under Chapter 493, Florida Statutes, or a Concealed Weapon or Firearm License issued pursuant to Section 790.06, Florida Statutes.

Section 493.6118(1)(v) 9., F.S.

Example: A licensed recovery agent carrying out a repossession in a debtor’s driveway carries a firearm for protection from potential assault. His or her license is revoked for misconduct.

Example: A licensed recovery agent in the course of repossessing a vehicle in the parking lot of an insurance agency fires a warning shot to deter physical assault by the debtor. His or her license is revoked for misconduct.

VIII. USE OF FORCE

a. Licensed recovery agents or recovery agent interns are lawfully authorized to repossess property only so long as there is no breach of the peace. A breach of the peace may occur when someone verbally or physically objects to a recovery in progress.

Section 679.609, F.S.

b. To avoid a breach of the peace, a recovery agent should retreat from a recovery when there is a confrontation.

Section 493.6118(1)(j), F.S.

Example: The debtor’s neighbor confronts the recovery agent in the debtor’s driveway while the car is being hooked to the agent’s tow truck. While the agent calmly informs the neighbor of his or her legal rights to repossess the vehicle, the neighbor becomes irrational and begins yelling at the agent. The agent should retreat from the repossession and try another time.

c. A licensee who is unable to retreat may use only the force

necessary to lawfully protect himself or herself or another from physical harm.

Section 493.6118(1)(j), F.S.

Example: A licensed recovery agent who is suddenly and unexpectedly attacked by family members of the debtor and is unable to retreat, reasonably defends himself. No action is taken by the department.

IX. IDENTIFICATION CARDS

a. Every licensed recovery agency must furnish to its partners, principal corporate officers, and all licensed employees an identification card with the name and license number of the holder of the card and name and license number of the agency. The identification card must be signed by the individual licensee and a representative of the agency. The identification card must be in the possession of the licensee at all times while engaged in regulated activity.

Section 493.6111(5), F.S.

b. Agency identification cards are issued solely for the purpose of identifying the licensee and his or her employer. The use of the state seal or the terms “State of Florida”, “Department of Agriculture and Consumer Services”, or “Division of Licensing” are forbidden. Such terms are often misinterpreted as implying the bearer has some official status.

Section 493.6118(1)(i), F.S.

X. APPLYING FOR A LICENSE

a. Any person applying for a license must be at least eighteen (18) years of age; be a citizen of the United States or a legal resident of the United States or have been granted authority to work by the U.S. Citizenship and Immigration Services (USCIS); have no disqualifying criminal history; be of good moral character; have no history of mental illness or history of use of illegal drugs or alcoholism, unless evidence is presented showing

successful completion of a rehabilitation program, or current mental competency, as appropriate.

Section 493.6106, F.S.

The applicant must provide the following: name, date of birth, Social Security number, place of birth, a statement of all criminal convictions (including dispositions of adjudication withheld), a statement whether he or she has been adjudicated incapacitated or committed to a mental institution, a statement regarding any history of illegal drug use or alcohol abuse, one (1) full-face color photograph, a full set of prints on the division's fingerprint card or submitted electronically via LiveScan, a personal inquiry waiver and the appropriate fees. The submission of the Social Security number is mandatory and is requested pursuant to sections 119.071(5)(a) 2, 493.6105, 493.6304, and 493.6406, Florida Statutes, for identification purposes, to prevent misidentification, and to facilitate the approval process.

Section 493.6105(3), and (4), F.S.

Any non-U.S. citizen who applies for a license under Chapter 493 must submit proof of current employment authorization issued by the U. S. Citizenship and Immigration Services (USCIS).

Section 493.6105(1)(f), F.S.

b. An applicant for a Class "EE" Recovery Agent Intern license must be sponsored by a Class "E" or "MR" licensee. The sponsor must submit a notice of intent to sponsor for each Class "EE" licensee under his direction or control.

Section 493.6116, F.S.

See also Section VI in this Handbook.

c. A criminal history record check is performed by the Florida Department of Law Enforcement and Federal Bureau of Investigation via examination of the applicant's fingerprints. The results of the record check are provided to the Division of Licensing to determine if the applicant has disqualifying criminal history.

Section 493.6108(1), F.S.

d. A licensee may conduct lawful repossessions anywhere in the state without obtaining any other license, permit, registration, or identification card that may be required by local ordinance or resolution. However, agencies may be required to obtain city or county occupational licenses.

Section 493.6107(5), F.S.

e. The licensee is required to notify the Division of Licensing within 10 days of a change to his or her residence and/or mailing address.

Sections 493.6105(3), F.S.

XI. CONFIDENTIALITY

The residence telephone number and residence address of any Class “C”, Class “CC”, Class “E”, or Class “EE” licensee maintained by the department is confidential and exempt from the provisions of Section 119.071(4)(d), F.S., except that the department may provide this information to local, state, or federal law enforcement agencies. When the residence telephone number or residence address of such licensee is, or appears to be, the business telephone number or business address, this information shall be public record.

Section 493.6122, F.S.

XII. CANCELLATION/INACTIVATION OF LICENSE

a. In the event the licensee desires to cancel his or her license, he or she shall notify the department in writing and return the license to the department within ten (10) days of the date of cancellation.

b. The department, at the written request of the licensee, may place his or her license in inactive status. A license may remain inactive for a period of three (3) years, at the end of which time it shall automatically be cancelled if the license has not been renewed. If the license expires during the inactive period, the

licensee shall be required to pay license fees before the license can be made inactive. No late fees shall apply when a license is in inactive status.

Section 493.6114, F.S.

XIII. REPOSSESSION ACTIVITIES

a. Class “E” Recovery Agents and Class “EE” Recovery Agent Interns are required to be physically present on the scene of a repossession. It is a violation of the law to allow, encourage or direct any unlicensed person to carry out a repossession for a recovery agency, recovery agent or intern. The licensed recovery agent or intern is required to be present to assure a repossession is carried out in a lawful manner and to respond to law enforcement inquiries or other situations that may arise.

Example: A Class “EE” Recovery Agent Intern arranges for a mobile home transport company to remove a mobile home from its lot. The transport company removes the mobile home and notifies the intern of its location. The intern is disciplined by the department for failure to be physically present at the scene and in charge of the repossession.

b. Repossessions, whether voluntary or involuntary, require the services of a licensed recovery agent or intern. Chapter 493 does not recognize any difference between voluntary or involuntary repossessions.

c. Recovery agents and recovery agent interns may use the services of a towing service provided the licensee is physically present at the time of the repossession. The licensee must remain with the repossessed property until it is under his or her complete control, custody, and possession.

Section 493.6101(21) and (22), F.S.

Example: A licensed recovery agent has an unlicensed helper drive a repossessed vehicle from the point of repossession to his or her storage lot. The recovery agent fails to maintain contact

with the repossessed vehicle to the storage lot, and as a result, the unlicensed helper is stopped by law enforcement and arrested on suspicion of auto theft. The charges against the helper are dropped by law enforcement. The licensed recovery agent was disciplined by the department for misconduct for failure to maintain contact with the repossessed vehicle until such time as full control, custody, and possession was assured by placement in a storage area.

XIV. INVENTORY OF PERSONAL EFFECTS OR PROPERTY

- a. Licensees are personally responsible for the complete and accurate inventory and storage of all personal effects and property found in any repossessed motor vehicle, mobile home, motorboat, aircraft, personal watercraft, all-terrain vehicles, farm equipment or industrial equipment, etc. That duty cannot lawfully be subcontracted regardless of the requirements of the client. Contractual arrangements with clients must assure compliance with the law.
- b. The inventory listing shall be signed by the licensed recovery agent or recovery agent intern who obtained the personal property. The date and time of the inventory must be indicated.
- c. The inventory of the personal property and the records regarding any disposal of personal property shall be maintained for a period of two (2) years in the permanent records of the licensed recovery agency and shall be made available, upon demand, to any representative of the department engaged in an official investigation.

Section 493.6404(1), F.S.

- d. Within five (5) working days after a repossession, the Class “E” or “EE” licensee must give written notice to the debtor of the location of personal items and the procedure for reclaiming them.
- e. At least forty-five (45) days prior to disposing of such

personal effects or other property, the recovery agent or recovery agent intern shall notify the debtor of his or her intent to dispose of such property by United States Postal Service proof of mailing or certified mail.

f. If a debtor or his or her lawful designee appears to claim personal property prior to its disposal, such property must be returned upon the payment of any reasonably incurred expenses for inventory and storage.

g. If personal property is not claimed within forty-five (45) days of the notice of intent to dispose, the licensee may dispose of the personal property at his or her discretion, except illegal items or contraband shall be surrendered to a law enforcement agency, and the licensee shall retain a receipt or other proof of surrender as part of the inventory and disposal records. When items are donated to charitable or private organizations, receipts verifying such donations shall be maintained in the file.

h. Motor vehicle license tags issued to the debtor are the personal property of the debtor and must be inventoried, stored, and returned like other personal property.

Section 493.6404(2), F.S.

i. The terms “personal effects” and “personal property” in the context of a repossession means personal items found in or on a repossessed vehicle, mobile home, motorboat, aircraft, personal watercraft, all-terrain vehicle, farm equipment or industrial equipment, etc., which were not a part of the repossessed unit at the time of purchase or lease and which have not been installed in, or attached to, the repossessed unit.

Section 493.6404(1), F.S.

XV. SALE OF MOTOR VEHICLE, MOBILE HOME, MOTORBOAT, AIRCRAFT, PERSONAL WATERCRAFT, ALL-TERRAIN VEHICLES, FARM EQUIPMENT, OR INDUSTRIAL EQUIPMENT, ETC., BY LICENSEE

Sections 493.6405(1) and 493.6101(22), F.S.

b. A Class “E” or Class “EE” licensee shall send the net proceeds from the sale of such repossessed motor vehicle, mobile home, motorboat, aircraft, personal watercraft, all-terrain vehicles, farm equipment or industrial equipment, etc., to the owner or lienholder within twenty (20) working days after the licensee executes the documents that permit the transfer of legal ownership to the purchaser.

Section 493.6405(2), F.S.

Section 493.6118(1)(b), F.S.

c. Being found guilty of or entering a plea of guilty or *nolo contendere* to, regardless of adjudication, or being convicted of a crime which directly relates to the business for which the license is held or sought. A plea of *nolo contendere* shall create a rebuttable presumption of guilt to the underlying criminal charges, and the department shall allow the individual being disciplined or denied an application for a license to present any mitigating evidence relevant to the reason for, and the circumstances surrounding, his or her plea.

Section 493.6118(1)(c), F.S.

8. Falsifying, altering, or failing to maintain any required inventory or records regarding disposal of personal property contained in or on repossessed property pursuant to s.493.6404(1);

9. Carrying a weapon or firearm while on private property and performing repossession activities;

10. Soliciting from the legal owner the recovery of property subject to repossession after such property has been seen or located on public or private property if the amount charged or requested for such recovery is more than the amount normally charged for such a recovery.

Example: A licensed recovery agent becomes aware of the location of a multi-million dollar yacht being sought by a Texas lender. Recovery agent contacts lender and offers to recover the yacht for a \$100,000 fee when his or her fee would normally be substantially less. Recovery agent is disciplined by having his or her license revoked and is charged criminally with extortion.

XVII. RECOVERY VEHICLES

a. Vehicles used by recovery agencies while conducting repossessions must display ONLY amber lights. The use of any other colors, such as blue, red, or green, is prohibited.

Section 316.2397, F.S.

b. Recovery vehicles must be identified by display of the Class “R” Recovery Agency license number only. The agency license number must appear on both sides of the vehicle in lettering that is not less than four (4) inches tall and in a color that contrasts with the vehicle color.

Section 493.6404(3), F.S.

c. Information other than the license number which identifies a recovery vehicle as such is prohibited. Local ordinances which require further identifying information on a recovery vehicle engaged in repossession are preempted by state statute.

Section 493.6404(3), F.S.

XVIII. BADGES

a. Florida law establishes that five-pointed star badges are reserved for wear by sheriffs and deputy sheriffs in this state. Any badge or insignia of such similarity to the official sheriff’s badge which is indistinguishable at a distance of twenty (20) feet

is prohibited for use by individuals licensed under Chapter 493, F.S.

b. Licensed recovery agents and recovery agent interns should be especially aware that the use of any badge in the course of a repossession activity creates a very strong suggestion of impersonation of a law enforcement officer, an act that would constitute misconduct in the course of regulated activities. ONLY the agency identification card and the Class “E” or “EE” license are needed for identification purposes while on the job.

Sections 30.46, 493.6118(1)(i), and 843.085, F.S.

XIX. AGENCY ADVERTISEMENTS REQUIRE LICENSE NUMBER

A licensed agency must include its agency license number in any advertisement in any print medium or directory, and must include its agency license number in any written bid or offer to provide services.

Section 493.6111(6), F.S.

Example: An agency’s license number must be included in bids, Yellow Page listings, trade journals, etc. Employment advertising does not require the agency license number.

XX. USE OF STATE SEAL PROHIBITED

No agency or licensee may use the Great Seal of the State of Florida on any badge, patch, credential, identification card, correspondence, advertisement, business card, or any other means of identification used in connection with investigative services.

Section 493.6124, F.S.

XXI. UNLAWFUL SYMBOLS OF AUTHORITY

The unauthorized exhibition, wear or display of any indicia of authority including any badge, insignia, emblem, identification card, uniform or any colorable imitation thereof which could

deceive a reasonable person into believing that such item is authorized by a law enforcement agency or the bearer is a law enforcement officer is prohibited. All non-official persons and agencies are prohibited from the use of the words “police”, “patrolman”, “agent”, “sheriff”, “deputy”, “trooper”, “highway patrol”, “Wildlife Officer”, “Marine Patrol Officer”, “state attorney”, “public defender”, “marshal”, “constable”, or “bailiff” when the use of such words or combinations thereof could deceive a reasonable person into believing that such person or agency is a law enforcement officer or agency.

Recovery agencies should also be made aware that vehicles marked in such a color or manner to resemble local law enforcement agencies may result in a possible violation for misconduct.

Sections 843.085 and 493.6118(1)(i), F.S.

Section 493.6118(1)(o), F.S.
