Mr. Soto,

On 1 May 2023, I was in the process of conducting the agency inspection on instrument ending in 787. I got interrupted during both attempts, lost track of what I was doing, and introduced the wrong sample during the alcohol free/mouth alcohol tests. Later in the shift, I started over from scratch and completed a clean test. You will see the two aborted tests at 2020 and 2030 on 1 May 2023. I wasn't able to enter anything in the remarks field, so I am sending this e-mail as an explanation.

Thank you,

Sgt. Tom Roberson
