**A MOTION WAS MADE, SECONDED, AND PASSED UNANIMOUSLY FOR THE COMMISSION TO APPROVE THE MINUTES OF THE OCTOBER 28, 2025 MEDICAL EXAMINERS COMMISSION MEETING.**

**ISSUE NUMBER 1: INFORMATIONAL ITEMS:**

- Election of Chair: MEC Staff Manager Ashley Bullard, informed the Commission that according to Florida Statute 406, the Commission needs to appoint a new chairman for the calendar year of 2026. Commission member Amira Fox nominated Dr. Barbara Wolf. The motion was made, seconded, and passed unanimously for the Commission to approve Dr. Barbara Wolf as the new Chairman. Dr. Wolf recused herself from voting.
- Status Report: MEC Appointments and Reappointments: Ms. Bullard informed the Commission that the MEC County Commissioner chair is still vacant and we are still awaiting appointments/reappointments from the Governor's Appointments Office.
- Status Report: DME Appointment and Reappointments: Ms. Bullard informed the Commission that all district medical examiners are currently pending either appointment or reappointment. Ms. Bullard advised we are still waiting on appointments from the Governor.
- 2026 Reappointments/ Assessments for District 15-24: Ms. Ashley Williams informed the Commission that all ballots were sent out on January 6, 2026. The results will be presented at the May MEC meeting.
- 2025 Interim Drug Report: Ms. Megan Neel informed the Commission that drug data has been received and is being compiled. Ms. Neel advised the Commission that it should be published soon.
- 2025 Annual Workload Report: Ms. Megan Neel advised that the deadline for the 2025 Annual Drug Report is May 31, 2026. Ms. Neel again advised if the Districts have an issue, to reach out to her.
- 2024 Paul Coverdell Forensic Science Improvement Grant Program Status Update: Ms. Ashley Williams informed the Commission that we are still accepting reimbursements for the 2024 Paul Coverdell Grant. Ms. Williams advised that an extension was received for the 2024 Paul Coverdell Grant but it would be closing September 30, 2026.
- 2025 Paul Coverdell Forensic Science Improvement Grant Program Status Update: Ms. Ashley Williams informed the Commission that funds have not been released therefore asked districts to withhold from making purchases until the BJA release funds.

**ISSUE NUMBER 2: Unidentified Deceased Initiative**

Ms. Ashley Bullard reported the following success stories from District 17.

On September 28, 1981, the decedent was found decomposed floating in a lake in Broward County. The decedent was the victim of a homicide and there were no leads as to her identity and the case went cold. In November of 2025, the Broward County Sheriff's Office was working on a possible missing person matching that of the unidentified remains. The sheriff's office compared the decedent's fingerprints to missing persons, with no match. The sheriff's office then resubmitted the decedent's fingerprints into the database and got a hit from an old arrest record out of a neighboring jurisdiction. The sheriff's office made contact with the family and notify them of the identification.

On September 27, 2023, an adult female was fatally struck by a vehicle while crossing State Road 7 in Lauderdale Lakes, Florida. The decedent had no identification, and fingerprint searches yielded no matches in the databases. A composite sketch was issued and shown to neighboring jurisdictions to identify potential missing persons but was unsuccessful. In September of 2025, a records custodian at the District 17 Medical Examiner's office noticed a recent social media post regarding a 32-year-old female recently reported missing from Lauderhill, Florida. The female was last seen 2 years earlier near State Road 7 in Lauderhill, Florida. Recognizing similarities to the 2023 unidentified decedent, the custodian alerted investigators to the recent missing person post. Subsequent DNA analysis from the family confirmed the decedent's identity.

### **ISSUE NUMBER 3: LEGISLATIVE UPDATE**

- Senate Bill 188: Legal Counsel, Natalie Bielby informed the Commission of updates on Senate Bill 188, relating to the Medical Examiner's Duties. This bill requires medical examiners to document and report certain infant and child autopsy findings to a national registry, with penalties for noncompliance. Mrs. Bielby informed the Commission that the Department of Health would impose escalating fines and decisional disciplinary action for failure to report within established timelines. As of February 11, 2026, the bill has yet to be taken up in committee.
- Senate Bill 524/House Bill 849: Legal Counsel, Natalie Bielby informed the Commission of updates on Senate Bill 524/House Bill 849, relating to Department of Law Enforcement. This bill revises the appointment processes for the Medical Examiners Commission and district medical examiners, clarifies the Commission's independence, and clarifies the training responsibilities of the Criminal Justice Standards and Training Commission. As of February 11, 2026, it was temporarily postponed in fiscal committee.

### **ISSUE NUMBER 4: NOMINATION FOR DISTRICT 8 MEDICAL EXAMINER**

MEC Staff Manager Ashley Bullard informed the Commission that the search committee for District 8 has completed its search and has nominated Dr. Milad Webb as the District 8 Medical Examiner. Dr. Webb expressed his gratitude and looks forward to taking the position in Gainesville and helping the surrounding counties.

**A MOTION WAS MADE BY AMIRA FOX, SECONDED BY BRIAN FERNANDES, AND PASSED UNANIMOUSLY FOR THE COMMISSION TO MOVE FORWARD WITH RECOMMENDATION OF APPOINTMENT FOR DISTRICT 8 MEDICAL EXAMINER TO THE GOVERNOR'S OFFICE.**

### **ISSUE NUMBER 5: ORGAN PROCUREMENT ORGANIZATION ANNUAL REPORT**

Mr. Darren Lahrman of LifeLink presented the 2025 annual report for Florida's organ procurement organizations. Mr. Lahrman reported there were 2 transplant denials reported in 2025 for whole and partial organ donors. Mr. Lahrman thanked the medical examiners for the outstanding relationship they have with the organ procurement organizations in Florida.

### **ISSUE NUMBER 6: REVIEW AND MODIFICATION OF 11G**

MEC Staff Manager, Ashley Bullard presented the Commission with anticipated changes to Rule 11G, F.A.C., due to 2026 legislation and procedure updates. Ms. Bullard also discussed Chapter 120 Florida Statute that was modified in the 2025 legislative session. As part of the modification all Florida Administrative Code rules are required to be reviewed within a 5-year cycle. The Commission was asked to review and determine if scheduled rules needed updating verses no action.

Rule 11G 1.001 and 5.002 has no anticipated changes. The Commission did not wish to discuss or recommend change.

Rule 11G - 2.005, 5.003, and 5.004, have recommended changes related to the appointments of the District Medical Examiners and being appointed by the Medical Examiners Commission and are contingent on pending legislative changes. The Commission did not wish to discuss the recommended changes that were proposed.

Rule 11G - 2.002, the recommended change to is to remove the Florida Department of Law Enforcement from the biometric process and add a policy change to include jurisdictional agencies should upload fingerprints directly into the appropriate databases.

The Commission chose to block vote moving forward with the changes to Rule 11G - 2.005, 5.003, 5.004 and 2.002.

**A MOTION WAS MADE BY KENNETH JONES, SECONDED BY ROBIN GIDDENS SHEPPARD, AND PASSED UNANIMOUSLY FOR THE COMMISSION TO MOVE FORWARD WITH APPROVING THE PROPOSED CHANGES TO RULE 11G DEPENDENT ON THE 2026 PROPOSED LEGISLATION IN SB524/HB849 PASSING.**

#### **ISSUE NUMBER 7: MASS FATALITY PLANS/ FEMORS**

- Commission Chairman, Dr. Barbara Wolf provided the Commission with an update on the Mass Fatality Plan. The MEC began the process in conjunction with FEMORS of reviewing the fatality management response plan in previous meetings, the proposed final language changes were provided to the Commission in the meeting packet. No discussion was had.

**A MOTION WAS MADE BY BRIAN FERNANDES, SECONDED BY ROBIN GIDDENS SHEPPARD, AND PASSED UNANIMOUSLY FOR THE COMMISSION TO APPROVE THE CHANGE TO THE MASS FATALITY PLAN.**

#### **ISSUE NUMBER 8: EMERGING DRUGS UPDATE**

Ms. Megan Neel provided the Commission with an update on new drug trends on behalf of Bruce Goldberger, Ph.D. Ms. Neel reported toxicology laboratory directors continue to report significant decreases in the prevalence of new psychoactive substances in decedents including novel benzodiazepines, cathinones, fentanyl analogs, and nitazenes in decedents. Cocaine, fentanyl, and methamphetamine continue to be the predominate substances identified in decedents. Laboratories are closely monitoring the shift of nitazenes to -orphine derivatives. Another substance of concern is 7-hydroxymitragynine (7-OH), a pharmacologically-active metabolite of mitragynine (Kratom), with an opioid receptor affinity significantly greater than morphine. 7-OH is a Schedule I controlled substance in the state of Florida. NPS and other substances identified in casework includes alpha-PiHPP (isoPV8), bromazolam, carfentanil, desalkylgidazepam, etizolam, ketamine, methylenedioxymethamphetamine, MDMB-4en-PINACA, ortho-methyl fentanyl, and pyrazolam. Adulterants identified in the quarterly crime laboratory drug report include BTMPS, medetomidine, and xylazine.

#### **ISSUE NUMBER 6: OTHER BUSINESS**

- Dr. James Fulcher, District 7 Medical Examiner and President of the Florida Association of Medical Examiners (FAME) addressed the Commission and advised that FAME has rolled out a new online

membership database that will take FAME into a better spot with technology, allowing members to pay dues online.

**With no further business to come before the Commission, the meeting was adjourned at 10:37 A.M.**

### Medical Examiners Commission Role

The Medical Examiners Commission oversees many of the activities of medical examiners in the State of Florida. The Commission is soliciting your input regarding the quality of medical examiner services that you are being provided as a constituent. Section 406.04, Florida Statute, states in part, that the Commission "shall ensure minimum and uniform standards of excellence, performance of duties, and maintenance of records so as to provide useful and adequate information to the state in regard to causative factors of those deaths investigated". We are asking for your input so the Commission can make an informed decision on district medical examiner nominations for gubernatorial appointment for those districts with an appointment end date in 2026 or for the districts with home rule charters that fall within this review period.

Please complete the below questions identifying your agency, organization or business before moving on to the questions related to your medical examiner services. If you have any questions or have problems submitting this form, please contact [MECReports@fdle.state.fl.us](mailto:MECReports@fdle.state.fl.us) or call Commission staff at 850-410-8600. The survey results will be presented at the May Commission meeting in 2026. The survey results will be reviewed by the Commission, the district medical examiner, the district's State Attorney and after the Commission meeting subject to Florida public record laws.

Dr. Miller and her office have always done a great job. Their interaction with families has been exemplary. They are polite and conscientious. When there were cases where families were concerned about foul play, the ME's office worked well with the police and provided detailed follow-up and follow-through on its responsibilities. I have spoken with Dr. Miller several times and found her to be knowledgeable and helpful. I am a former prosecutor, and my son is an Assistant AG (Colorado). Currently, I do contract work for AG offices in the Northeast. Dr. Miller stands out as one of the best ME's I have interacted with over my long career.

### Medical Examiners Commission Role

The Medical Examiners Commission oversees many of the activities of medical examiners in the State of Florida. The Commission is soliciting your input regarding the quality of medical examiner services that you are being provided as a constituent. Section 406.04, Florida Statute, states in part, that the Commission "shall ensure minimum and uniform standards of excellence, performance of duties, and maintenance of records so as to provide useful and adequate information to the state in regard to causative factors of those deaths investigated". We are asking for your input so the Commission can make an informed decision on district medical examiner nominations for gubernatorial appointment for those districts with an appointment end date in 2026 or for the districts with home rule charters that fall within this review period.

Please complete the below questions identifying your agency, organization or business before moving on to the questions related to your medical examiner services. If you have any questions or have problems submitting this form, please contact [MECReports@fdle.state.fl.us](mailto:MECReports@fdle.state.fl.us) or call Commission staff at 850-410-8600. The survey results will be presented at the May Commission meeting in 2026. The survey results will be reviewed by the Commission, the district medical examiner, the district's State Attorney and after the Commission meeting subject to Florida public record laws.

Our experiences with the ME's office have been excellent. They are prompt, courteous, and helpful. In a couple of instances, their staff have taken the time to teach our newer officers and investigators. The only room for improvement would be with the body removal services. There have been situations where the removal staff are late or very delayed in responding to scenes. Overall, we are very satisfied with the services we receive.

### Medical Examiners Commission Role

The Medical Examiners Commission oversees many of the activities of medical examiners in the State of Florida. The Commission is soliciting your input regarding the quality of medical examiner services that you are being provided as a constituent. Section 406.04, Florida Statute, states in part, that the Commission "shall ensure minimum and uniform standards of excellence, performance of duties, and maintenance of records so as to provide useful and adequate information to the state in regard to causative factors of those deaths investigated". We are asking for your input so the Commission can make an informed decision on district medical examiner nominations for gubernatorial appointment for those districts with an appointment end date in 2026 or for the districts with home rule charters that fall within this review period.

Please complete the below questions identifying your agency, organization or business before moving on to the questions related to your medical examiner services. If you have any questions or have problems submitting this form, please contact [MECReports@fdle.state.fl.us](mailto:MECReports@fdle.state.fl.us) or call Commission staff at 850-410-8600. The survey results will be presented at the May Commission meeting in 2026. The survey results will be reviewed by the Commission, the district medical examiner, the district's State Attorney and after the Commission meeting subject to Florida public record laws.

Generally speaking, the service is good, investigators are professional and easy to work with. We have an issue as we are never told when cases/reports are complete and have to call down when we guess they may be complete on a case by case basis.

### Medical Examiners Commission Role

The Medical Examiners Commission oversees many of the activities of medical examiners in the State of Florida. The Commission is soliciting your input regarding the quality of medical examiner services that you are being provided as a constituent. Section 406.04, Florida Statute, states in part, that the Commission "shall ensure minimum and uniform standards of excellence, performance of duties, and maintenance of records so as to provide useful and adequate information to the state in regard to causative factors of those deaths investigated". We are asking for your input so the Commission can make an informed decision on district medical examiner nominations for gubernatorial appointment for those districts with an appointment end date in 2026 or for the districts with home rule charters that fall within this review period.

Please complete the below questions identifying your agency, organization or business before moving on to the questions related to your medical examiner services. If you have any questions or have problems submitting this form, please contact [MECReports@fdle.state.fl.us](mailto:MECReports@fdle.state.fl.us) or call Commission staff at 850-410-8600. The survey results will be presented at the May Commission meeting in 2026. The survey results will be reviewed by the Commission, the district medical examiner, the district's State Attorney and after the Commission meeting subject to Florida public record laws.

### Medical Examiners Commission Role

The Medical Examiners Commission oversees many of the activities of medical examiners in the State of Florida. The Commission is soliciting your input regarding the quality of medical examiner services that you are being provided as a constituent. Section 406.04, Florida Statute, states in part, that the Commission "shall ensure minimum and uniform standards of excellence, performance of duties, and maintenance of records so as to provide useful and adequate information to the state in regard to causative factors of those deaths investigated". We are asking for your input so the Commission can make an informed decision on district medical examiner nominations for gubernatorial appointment for those districts with an appointment end date in 2026 or for the districts with home rule charters that fall within this review period.

Please complete the below questions identifying your agency, organization or business before moving on to the questions related to your medical examiner services. If you have any questions or have problems submitting this form, please contact [MECReports@fdle.state.fl.us](mailto:MECReports@fdle.state.fl.us) or call Commission staff at 850-410-8600. The survey results will be presented at the May Commission meeting in 2026. The survey results will be reviewed by the Commission, the district medical examiner, the district's State Attorney and after the Commission meeting subject to Florida public record laws.

For the past two or three years the Broward County Medical Examiner's Office (BCMEO) has become increasingly difficult to work with. I have specific complaints about the services the Broward Medical Examiner Office has been providing. On one case, where an elderly married couple were found shot in their home, and the gun was missing, the BCMEO refused to rule on the cause and manner of death. The associate ME and the ME agreed that they did not have enough information to rule. It wasn't until police made an arrest, more than six months later, that the BCMEO ruled the case a double homicide.

It seems that many time, on cases that can be perceived as high profile, the BCMEO is more interested in the prosecution aspect than their mandated role, of determining the cause of death to properly rule on the manner of death.

While attending a couple of different meetings with Associate Medical Examiners and the Chief Medical Examiner, the level of unprofessionalism is unprecedented. The Chief Medical Examiner often sits with her feet propped on the table and her demeanor is not one who's interested in discussing the issues.

By conversing with BCMEO staff working under this Medical Examiner, I've learned that there is a toxic work environment at their office. One rooted with retribution if someone has a dissenting opinion from the Chief Medical Examiner. Although I have no first-hand knowledge of this, I know many long-time employees have either left or have been fired from their positions.

The Broward County Sheriff's Office has a strong working relationship with the Medical Examiner's Office led by Dr. MacDougall. They are always receptive and available to provide assistance when needed. They are a great asset working with our homicide unit when dealing with next of kin. The offices communicate efficiently and rarely have any issues.

Dr. Rebecca MacDougall is an outstanding Medical Examiner, and her office and staff are exceptionally competent and professional. Our agency maintains an excellent working relationship with her office and routinely relies on their expertise to assist with our investigations. Whether handling homicide cases, suspicious deaths, suicides, or other complex investigations, Dr. MacDougall and her associates are consistently approachable, dedicated, and highly professional.

Dr. MacDougall and her team are always willing and eager to meet with detectives to discuss cases and share their findings. During these collaborations, her associates and staff demonstrate an open-minded approach and a genuine interest in investigative information. Death investigations conducted under her leadership are truly team efforts.

Most recently, we worked alongside Dr. MacDougall and several members of her office at an airplane crash scene. Her personal dedication and tireless efforts to recover as many scattered remains as possible were exceptional. These efforts were recognized by the NTSB investigator assigned to the case, who told me personally that the recovery work exceeded anything he was accustomed to seeing anywhere in the country.

### Medical Examiners Commission Role

The Medical Examiners Commission oversees many of the activities of medical examiners in the State of Florida. The Commission is soliciting your input regarding the quality of medical examiner services that you are being provided as a constituent. Section 406.04, Florida Statute, states in part, that the Commission "shall ensure minimum and uniform standards of excellence, performance of duties, and maintenance of records so as to provide useful and adequate information to the state in regard to causative factors of those deaths investigated". We are asking for your input so the Commission can make an informed decision on district medical examiner nominations for gubernatorial appointment for those districts with an appointment end date in 2026 or for the districts with home rule charters that fall within this review period.

Please complete the below questions identifying your agency, organization or business before moving on to the questions related to your medical examiner services. Cases that have gone to the funeral home already, then being pulled to the ME for eval, being transported back to the funeral home of choice, so the family does not incur additional charges from the funeral home has been a very positive change.

I have been assigned as the homicide sergeant for the Hollywood Police Department for the past year. During this time, I have interacted with Dr. MacDougall on several of our investigations. She has always made herself available to review cases, provide information, and provide clarification. Her strong understanding of forensic pathology and investigative procedures allows her to interpret findings and clearly communicate their significance. Through her expertise and dedication, she plays a critical role in supporting justice and public safety. Her contributions consistently strengthen case development and enhance the effectiveness of law enforcement efforts.

The Broward County Office of the Medical Examiner and Trauma Services (OMETs) consistently delivers a level of service that displays professional excellence and a deep commitment to the community while reflecting service standards and timelines that exceed national standards. The office functions not merely as a statutory authority, but as a trusted partner to families, investigators, healthcare providers, and the justice system. Interactions are handled with patience and dignity. Staff take time to explain the process in understandable language, communicating proactively. Families are informed of status changes, pending results, and any potential delays before being asked.

The Medical Examiner herself demonstrates exceptional personal commitment. She treats her responsibility as the Medical Examiner as a lifelong professional calling and is responsive, compassionate, and makes herself available to provide guidance any time necessary. County Administration has nothing but the highest of praise for Dr. MacDougall, her team, and the manner in which they support all stakeholders.

Dr. Qaiser is an excellent Medical Examiner. He has been the DME for Brevard County for many years. I have personally presented Dr. Qaiser as a witness in the prosecution of homicide cases in Brevard County many times and have done so without concern. He is always prepared for court and his reports are complete and detailed. For an extended period of time Dr. Qaiser was the only ME in Brevard doing the work of 2-3 MEs. Dr. Qaiser has my full support and endorsement for the reappointment as the District 18 Medical Examiner. Questions or concerns please do not hesitate to reach out to me.

Respectfully submitted,

William Scheiner  
State Attorney, 18th Judicial Circuit  
Brevard and Seminole Counties

A judge has disallowed testimony of Dr. Qaiser because of the court found the opinion of Dr. Qaiser to be not founded in science or medicine. Public Defender must routinely hire other medical examiners in Florida as expert witnesses to testify in rebuttal of Dr. Qaiser's testimony.

For over a decade, Island Cremations, LLC, has been charged with the care of thousands of Brevard County residents who have been touched by death. All too often, the citizens of our beloved county have needed to interact with the medical examiner in order to investigate and determine the cause of a suspicious or traumatic death. Island Cremations has been there on most occasions to take the torch from Dr. Qaiser and his team when the decedent was selected to enter our care.

Dr. Qaiser and his team of investigators and administrators are beyond reproach. Their professionalism, expertise, attention to detail and compassion are bar none. We look forward to many more years working together with Dr. Qaiser and his team to provide ease, comfort and certainty to the bereaved families of Brevard County.

### Medical Examiners Commission Role

The Medical Examiners Commission oversees many of the activities of medical examiners in the State of Florida. The Commission is soliciting your input regarding the quality of medical examiner services that you are being provided as a constituent. Section 406.04, Florida Statute, states in part, that the Commission "shall ensure minimum and uniform standards of excellence, performance of duties, and maintenance of records so as to provide useful and adequate information to the state in regard to causative factors of those deaths investigated". We are asking for your input so the Commission can make an informed decision on district medical examiner nominations for gubernatorial appointment for those districts with an appointment end date in 2026 or for the districts with home rule charters that fall within this review period.

Please complete the below questions identifying your agency, organization or business before moving on to the questions related to your medical examiner services. If you have any questions or have problems submitting this form, please contact [MECReports@fdle.state.fl.us](mailto:MECReports@fdle.state.fl.us) or call Commission staff at 850-410-8600. The survey results will be presented at the May Commission meeting in 2026. The survey results will be reviewed by the Commission, the district medical examiner, the district's State Attorney and after the Commission meeting subject to Florida public record laws.

# MEDICAL EXAMINERS COMMISSION

## Recommendation for Reappointment

District 18 Medical Examiner  
Sajid S. Qaiser, M.D.

How do you rate the quality of medical examiner services provided in your district? *Please select one option below and provide comments regarding your selection.*

The Brevard County Medical Examiner's Office remains in compliance with all applicable Florida Statutes and Administrative Codes governing medical examiner operations. During the past year, backlog reports are now current.

The office has experienced a high rate of staff attrition, and recruitment of qualified medical examiner professionals continues to be challenging in a highly competitive labor market. Retention of trained and experienced personnel remains a priority for the County, as turnover negatively impacts organizational climate and presents operational risks to the timely fulfillment of statutory duties.

The Brevard County Public Safety Group is responsible for oversight of the day-to-day operations of the Medical Examiner's Office. The County Manager serves as the local appointing authority for the Chief Medical Examiner and is responsible for matters related to compensation and benefits.

As our District Medical Examiner is currently participating in the Deferred Retirement Option Program (DROP), Brevard County has identified Dr. Roshan Mahabir as our nominee for the next District 18 Medical Examiner. Dr. Mahabir was hired in October 2025 and has demonstrated exemplary performance in service to Brevard County. His curriculum vitae is attached for review.

### Medical Examiners Commission Role

The Medical Examiners Commission oversees many of the activities of medical examiners in the State of Florida. The Commission is soliciting your input regarding the quality of medical examiner services that you are being provided as a constituent. Section 406.04, Florida Statute, states in part, that the Commission "shall ensure minimum and uniform standards of excellence, performance of duties, and maintenance of records so as to provide useful and adequate information to the state in regard to causative factors of those deaths investigated". We are asking for your input so the Commission can make an informed decision on district medical examiner nominations for gubernatorial appointment for those districts with an appointment end date in 2026 or for the districts with home rule charters that fall within this review period.

Please complete the below questions identifying your agency, organization or business before moving on to the questions related to your medical examiner services. If you have any questions or have problems submitting this form, please contact [MECReports@fdle.state.fl.us](mailto:MECReports@fdle.state.fl.us) or call Commission staff at 850-410-8600. The survey results will be presented at the May Commission meeting in 2026. The survey results will be reviewed by the Commission, the district medical examiner, the district's State Attorney and after the Commission meeting subject to Florida public record laws.

Having been in funeral service for over forty-five years, Dr. Marta Coburn and her staff have been the most thorough, caring, and professional team that I have ever worked with. Dr. Coburn cares for the families she serves, she is professional, and understands these families. She has explained her reasons for having to complete some studies on remains and the reasons. She assures families with her explanations and thoughtfulness while maintaining her high standard of accepted best practices. I would have zero reservation reappointing Dr. Marta Coburn to District 20 Medical Examiner.

### Medical Examiners Commission Role

The Medical Examiners Commission oversees many of the activities of medical examiners in the State of Florida. The Commission is soliciting your input regarding the quality of medical examiner services that you are being provided as a constituent. Section 406.04, Florida Statute, states in part, that the Commission "shall ensure minimum and uniform standards of excellence, performance of duties, and maintenance of records so as to provide useful and adequate information to the state in regard to causative factors of those deaths investigated". We are asking for your input so the Commission can make an informed decision on district medical examiner nominations for gubernatorial appointment for those districts with an appointment end date in 2026 or for the districts with home rule charters that fall within this review period.

Please complete the below questions identifying your agency, organization or business before moving on to the questions related to your medical examiner services. If you have any questions or have problems submitting this form, please contact [MECReports@fdle.state.fl.us](mailto:MECReports@fdle.state.fl.us) or call Commission staff at 850-410-8600. The survey results will be presented at the May Commission meeting in 2026. The survey results will be reviewed by the Commission, the district medical examiner, the district's State Attorney and after the Commission meeting subject to Florida public record laws.

The Lee County Sheriff's Office has an excellent working relationship with the District 21 Medical Examiner's Office. The medical examiners appreciate and are interested in the detective's input during an investigation. The medical examiner investigators are always available to answer questions and respond to death scenes when needed. The LCSO also benefits from the training provided by the medical examiner's office. The relationship between the two agencies is one reason for the LCSO's high closure rate in death investigations.

### Medical Examiners Commission Role

The Medical Examiners Commission oversees many of the activities of medical examiners in the State of Florida. The Commission is soliciting your input regarding the quality of medical examiner services that you are being provided as a constituent. Section 406.04, Florida Statute, states in part, that the Commission "shall ensure minimum and uniform standards of excellence, performance of duties, and maintenance of records so as to provide useful and adequate information to the state in regard to causative factors of those deaths investigated". We are asking for your input so the Commission can make an informed decision on district medical examiner nominations for gubernatorial appointment for those districts with an appointment end date in 2026 or for the districts with home rule charters that fall within this review period.

Please complete the below questions identifying your agency, organization or business before moving on to the questions related to your medical examiner services. If you have any questions or have problems submitting this form, please contact [MECReports@fdle.state.fl.us](mailto:MECReports@fdle.state.fl.us) or call Commission staff at 850-410-8600. The survey results will be presented at the May Commission meeting in 2026. The survey results will be reviewed by the Commission, the district medical examiner, the district's State Attorney and after the Commission meeting subject to Florida public record laws.

January 8th, 2026

Medical Examiner Commission,

It is with great respect and strong support that Sheriff Hardwick and the men and women of the St. Johns County Sheriff's Office enthusiastically recommend the reappointment and retention of Dr. Wendolyn Sneed as the District 23 Medical Examiner.

Since assuming this position, Dr. Sneed has demonstrated exceptional professionalism, accessibility, and responsiveness in every aspect of her role. She has been consistently available to our agency, providing timely guidance, expert consultation, and clear communication whenever needed. Her dedication ensures that investigative processes are supported with the highest standards of medical and forensic integrity.

Dr. Sneed's commitment to education is equally commendable. She takes the time to teach and mentor during active examinations, ensuring investigators gain valuable insight into forensic pathology procedures and findings. Additionally, her classroom instruction further enhances the professional development of our personnel, strengthening the overall effectiveness of our investigative teams.

Her staff reflects the same level of excellence and professionalism she embodies, creating a cohesive and reliable office that law enforcement agencies can depend on with confidence. Dr. Sneed's impeccable reputation in the field is well-earned, and her expertise is widely respected among peers and partners alike.

Since assuming the role of District 23 Medical Examiner, Dr. Sneed has built strong, collaborative relationships with the local law enforcement community. Her cooperative approach, integrity, and commitment to justice have fostered trust and mutual respect across agencies, greatly enhancing interagency operations.

For these reasons, Sheriff Hardwick and the men and women of the St. Johns County Sheriff's Office strongly recommend the reappointment and retention of Dr. Wendolyn Sneed as District 23 Medical Examiner. We are confident she will continue to serve our community with distinction, professionalism, and unwavering dedication.

Dr. Wolf serves as the Medical Examiner for both District 24 and District 5 through an intergovernmental agreement between the two districts. The comments provided are observations by District 24 and are not intended to represent those of District 5. The following are areas for improvement for Dr. Wolf:

- 1) Increase presence in the District Committee Meeting, the joint meeting between District 24 and District 5, through proactive engagement and reporting. Previously, a letter was sent to Dr. Wolf from Marion County, the administrator of the joint district, regarding her lack of engagement and expectations for her participation in meetings moving forward
- 2) Provide more accurate information during District Committee Meetings. Several items previously reported by Dr. Wolf during those meetings were inaccurate or required further clarification. This includes items regarding the appointment of Medical Examiners in charter counties, details of grant applications, and specific requirements and processes outlined in the interlocal agreement with respect to service provision.
- 3) Review and address human resources issues. Seminole County has received complaints from Medicus Forensics employees regarding their overtime compensation and how they believe it is being calculated incorrectly. Additionally, law enforcement officers in Seminole County have also complained about additional overtime required to pay staff due to the perceived slower response times to the scene by Medicus Forensics staff.

Dr. Wolf is an excellent medical examiner. Without fail she is responsive, attentive to every detail and timely. Dr. Wolf is an excellent witness in court and is a pleasure to work with. Dr. Wolf has been an asset to the entire law enforcement community we serve especially in the area of over dose death investigations and prosecutions. My team and I fully recommend and endorse Dr. Wolf for reappointment as the DME for the 24th district (Seminole County). Questions please do not hesitate to reach out.

### Medical Examiners Commission Role

The Medical Examiners Commission oversees many of the activities of medical examiners in the State of Florida. The Commission is soliciting your input regarding the quality of medical examiner services that you are being provided as a constituent. Section 406.04, Florida Statute, states in part, that the Commission "shall ensure minimum and uniform standards of excellence, performance of duties, and maintenance of records so as to provide useful and adequate information to the state in regard to causative factors of those deaths investigated". We are asking for your input so the Commission can make an informed decision on district medical examiner nominations for gubernatorial appointment for those districts with an appointment end date in 2026 or for the districts with home rule charters that fall within this review period.

Please complete the below questions identifying your agency, organization or business before moving on to the questions related to your medical examiner services. If you have any questions or have problems submitting this form, please contact [MECReports@fdle.state.fl.us](mailto:MECReports@fdle.state.fl.us) or call Commission staff at 850-410-8600. The survey results will be presented at the May Commission meeting in 2026. The survey results will be reviewed by the Commission, the district medical examiner, the district's State Attorney and after the Commission meeting subject to Florida public record laws.
