2. Court Activity in the US

State/Federal Court: US District Court for the Northern District of Texas, Fort Worth Division

Case #: 4:25-CR-259-P

Persons: Cameron Arnold (aka Autum Hill), Zacharey Evetts, Benjamin Song, Bradford Morris (aka Meagan Morris), Maricela Rueda, Elizabeth Soto, Ines Soto, and Daniel Rolando Sanchez-Estrada

Case Summary: A North Texas Antifa Cell attacked an immigration detention cell using firearms and fireworks towards the facility and associated infrastructure.

Significance: According to the U.S. Attorney's Office, Northern District of Texas, the eight members of the North Texas Antifa Cell were sentenced for their roles in rioting, using weapons and explosives, providing material support to terrorists, obstruction, and the attempted murder of an Alvarado police officer at the Prairieland Detention Center. The members planned their attack by bringing firearms and body armor while dressed in "black bloc" - dark clothing with head and face coverings to conceal their identities from law enforcement. The members shot off and threw fireworks (explosives) at the detention facility, vandalizing vehicles, and a guard shack. Benjamin Song is also believed to have shot an unarmed Alvarado police officer in the neck during the incident.

Terrorist Activity – Violation: Florida Statute 790.162 — Threat to Throw, Project, Place, or Discharge a Destructive Device

Terrorist Activity was intended to affect the conduct of government through destruction of property

Under Florida Statute 790.161 – a destructive device is any device designed to cause destruction, damage, or injury.

State/Federal Court: US District Court for the Eastern District of Michigan

Case #: 26-30053

Person: Kyle Wagner

The defendant is a self-identified Antifa member who demonstrated persistent and increasing opposition to ICE operations, including conspiring, and threatening to assault federal law enforcement officers with the intent to impede, intimidate, or interfere with ICE operations in Minneapolis, Minnesota. While using his public social media accounts, he actively encouraged others to forcibly confront, assault, impede, oppose, and resist federal officers. His accounts show escalating threats directed against federal law enforcement and doxxed a pro-ICE individual.

State/Federal Court: United States v. Baker, Florida Northern District Court

Case #: 4:21-mj-00009

Person: Daniel Alan Baker

Case Summary: Baker was convicted for transmission, in interstate commerce, of a communication containing a threat to kidnap or injure. His social media history shows escalation in expression of violence, and his post specifically calling others to join him in encircling protestors and confining them to the Capitol complex using firearms led to his arrest.

Part 2 – Basis Summary Findings:

During the 2008 Holy Land Foundation (HLF) trial, the U.S.-Muslim Brotherhood's Palestine Committee (PALCOM) was revealed as a committee whose sole purpose was supporting Hamas from within the U.S. with media, money, and personnel. The HLF, Islamic Association for Palestine (IAP), United Association for Studies and Research (UASR), and CAIR were identified as PALCOM's organizational structures designated to achieve PALCOM's goals. The IAP printed the founding Hamas charter in English for wider consumption in the western hemisphere. The founding charter called for the annihilation of Israel through violent jihad, to include suicide bombings against civilian targets to be carried out by the Al-Qassam Brigades.

There is substantial evidence that CAIR is engaging in terrorist activity. CAIR's founding members have connections with Hamas leadership to include Mousa Mohammed Abu Marzook. Additionally, co-founding CAIR-TX member Ghassan Elashi, who was convicted of dealings and material support to Specially Designated Terrorists, also has ties to Hamas. Likewise, as referenced below, current CAIR members have connections with an alleged member of the Palestine Islamic Jihad (PIJ). During the October 7, 2023, terror attacks in Israel, Hamas and PIJ members brutally murdered, kidnapped and raped Israelis and foreign nationals, to include U.S. civilians. The terror attacks were accomplished utilizing a vast tunnel network built by Hamas.

This tunnel system in Gaza and Israel was built over decades and cost over \$1 billion to construct. In 2014, Hamas reportedly spent \$90 million to build just three dozen tunnels.

- **1928 – Muslim Brotherhood** founded in Egypt.
- **1987** – members of the **Muslim Brotherhood** create **Hamas**.
- **1993** – Members of the Palestine Committee of the **Muslim Brotherhood** in the United States met in Philadelphia to discuss Oslo Accords and the conversation focused on how to continue to support Hamas (not yet a U.S.-designated terrorist organization). The Palestine Committee included three Hamas-supporting organizations in the United States—the IAP, the Occupied Land Fund (later named the Holy Land Foundation, or HLF), and the UASR. CAIR co-founder, Nihad Awad, and Ghassan Elashi (co-founder of CAIR-TX) were identified as presenters at a “Future of Islamic Action for Palestine in North America Seminar.” Documents seized in relation to the HLF trial from these meetings suggest ties within the U.S. to support efforts by the Muslim Brotherhood and Hamas. Nihad Awad is currently CAIR’s National Executive Director.

- **1994** – Former IAP members Nihad Awad, Omar Ahmad and a third man founded the Council on American-Islamic Relations, or CAIR (HLF – wiretapped transcripts indicate a “front” organization would be needed to “camouflage” their actions).
- **1997** – Hamas and PIJ were designated as Foreign Terrorist Organizations (FTO).

<https://www.state.gov/foreign-terrorist-organizations/>

- **2001** – **HLF** was designated a Specially Designated Global Terrorist organization for funneling millions to Hamas, following the latter’s designation as a terrorist group in 1997.

<https://sanctionssearch.ofac.treas.gov/?SEQ=sanctions+list+search>

- **2002** – Ghassan Elashi was arrested for conspiracy, money laundering, and dealing in the property of a designated terrorist with his brothers Bayan and Basman. The three brothers reportedly tried to hide Hamas official **Mousa Mohammed Abu Marzook’s** \$250,000 investment in their Texas-based company (Infocom). Bayan was the chief executive officer; Ghassan was the vice-president of marketing; and Basman was the logistics and credit manager.

- Mousa Mohammed Abu Marzook: served as the first chairman of the Hamas Political Bureau in the early 1990s.
- **2008** – **HLF** conviction of five indicted conspirators found them guilty on more than 100 counts in criminal trial. Ghassan Elashi was convicted of conspiracy to provide material

support to a foreign terrorist organization (i.e. Hamas). **CAIR** was an unindicted co-conspirator.

- **2014** – The United Arab Emirates (UAE) designates **CAIR** as a terrorist group due to its ties to the global **Muslim Brotherhood** which includes **Hamas**. CAIR is still listed on the “Local Terrorist List,” within the “Sanctions List” as of 2026.

<https://www.uaieec.gov.ae/en-us/un-page?p=1#>

- **2023** – Hamas and PIJ launched terror attacks against Israel which led to the deaths of more than 1,200 Israelis and foreign nationals (including 46 U.S. citizens in Israel). Additionally, Hamas took 254 hostages, of which 12 were U.S. citizens. In 2006, Hamas and PIJ started the Joint Operation Room (JOR) for the Palestinian Factions of Resistance, which grew to include many major and minor militant Palestinian factions in Gaza and the West Bank. This JOR hosted training operations, including drilling tactics that were later utilized in the October 7th attack.

- **2025** - As head of Hamas’ foreign relations office, Mousa Mohammed Abu Marzook said he would not have supported an attack on Israel had he known of the devastation it would wreak on Gaza. According to an article published on February 24, 2025, he told the New York Times “Hamas was open to releasing all hostages at the same time, if Israel was willing to free the thousands of Palestinians in its prisons, end the war and withdraw from Gaza.” On May 12, 2025, U.S.-Israeli hostage Edan Alexander, thought to be the last U.S. citizen held by Hamas who was still alive, was freed.

1. Historical Action Against CAIR

In November 2014, the UAE designated CAIR as a terrorist organization due to alleged ties to the Muslim Brotherhood and concerns in promoting extremism. The UAE upheld their designation when challenged due to CAIR's honoring of convicted Palestinian Islamic Jihad terrorist Sami Al-Arian, former University of South Florida professor, with a "Promoting Justice Award." According to open-source reporting and the UAE's anti-terror legislation by the Emirates, an annual review of their terrorist organization designations must be conducted.

2. Recent Legal or Legislative Action Against CAIR in the U.S.

As of November 2025, CAIR is designated as a Foreign Terrorist and Transnational Criminal Organization under Texas Penal and Texas Property Codes, which led to property acquisition bans and civil enforcement authority for the Attorney General. Texas' Governor directed the Texas Department of Public Safety to launch criminal investigations into CAIR and the Muslim Brotherhood, and announced a separate investigation into 'Sharia tribunals masquerading as legal courts' in Collin and Dallas counties. In December 2025, the Governor formally requested the U.S. Treasury Department to investigate and suspend CAIR's 501(c)(3) tax-exempt status for its three entities operating in Texas. In February 2026, Texas' Attorney General filed lawsuits against CAIR and the Muslim Brotherhood, with the intent to ban them from operating in Texas, prohibit fundraising and membership solicitation, and block property ownership in the state.

Federally, on June 24, 2025, a Florida Representative introduced H.R. 4097: Designate CAIR as a Terrorist Organization Act. The bill was last referred to the House Committee on the Judiciary the same day without any additional action published by the House. The bill aimed to have a review conducted on CAIR to determine whether the organization meets criteria for designation as a FTO pursuant to section 219 of the Immigration and Nationality Act (8 U.S.C. 1189).

In August 2025, an Arkansas Senator formally requested the Internal Revenue Service investigate CAIR's 501(c)(3) compliance due to their alleged ties to Hamas and the Muslim Brotherhood. In January 2026, Chairman Cody Smith, representing Missouri, referred CAIR-California for IRS investigation and potential revocation of tax-exempt status, referencing Texas' FTO designation and alleged systematic misuse of millions in taxpayers' dollars. At this time, Texas joined a legal brief in a federal case targeting American Muslims for Palestine (AMP), whose predecessor's board members were convicted of providing material support for Hamas, with overlapping ties to the same Palestine Committee network cited in CAIR cases.

3. CAIR's ties to persons previously convicted of terrorist financing

CAIR California's San Francisco Bay Area (CAIR-SFBA) Executive Director Zahara Billoo is listed as a Board Member of the Coalition for Civil Freedoms Foundation, according to their last publicly published 990EZ Tax Form. Hatem Fariz is identified as the foundation's Treasurer. According to the U.S. Department of Justice, Hatem Fariz was an alleged Palestinian Islamic Jihad (PIJ) member. Hatem Fariz pleaded guilty to several charges including the intent to make or receive a contribution of funds, goods, or services, to, or for the benefit of a Specially Designated Terrorist.

Convictions

State/Federal Court: U.S. District Court, Northern District of Texas

Case #: CR No. 3:04-00240-P(N.D.T.X) United States v. Holy Land Foundation, et al.

Person: Ghassan Elashi

Case Summary: On May 27, 2009, five Holy Land Foundation leaders were convicted of Providing Material Support to the Hamas Terrorist Organization. One of the leaders, Ghassan Elashi, 55, of Richardson, Texas, was sentenced to a total of 65 years in prison for 10 counts of conspiracy to provide, and the provision of, material support to a designated foreign terrorist organization; 11 counts of conspiracy to provide, and the provision of, funds, goods and services to a Specially Designated Terrorist; 10 counts of conspiracy to commit, and the commission of, money laundering; and one count of conspiracy to impede and impair the Internal Revenue Service; and one count of filing a false tax return. According to the superseding indictment (pg.6) the Holy Land Foundation was created by Elashi and two others as the fundraising component of the Palestinian Committee, whose purpose was to support Hamas.

Significance: According to the U.S Department of State, Hamas is a designated foreign terrorist organization (since 1997). According to open-source news, Elashi was one of the founding members of CAIR's Texas chapter. CAIR was designated by the State of Texas as a foreign terrorist and transnational criminal organization by Governor Greg Abbott (18-Nov-2025 proclamation). Texas Attorney General Ken Paxton has filed a lawsuit (26-Feb-2026) against the Muslim Brotherhood and CAIR, which identifies CAIR as the American Chapter of the Muslim Brotherhood.

According to the U.S. Office of the Director of National Intelligence (ODNI) the Hamas charter calls for establishing an Islamic Palestinian state in place of Israel and rejects all agreements made between the Palestinian Liberation Organization and Israel. Hamas' strength is concentrated in the Gaza Strip and areas of the West Bank. Hamas has a military wing known as the Izz al-Din al-Qassam Brigades that has conducted many anti-Israel attacks in both Israel and the Palestinian territories since the 1990s. These attacks have included large-scale bombings against Israeli civilian targets, small-arms attacks, improvised roadside explosives, and rocket attacks. On October 7, 2023, Hamas launched a terrorist attack from the Gaza Strip into Israel. More than 1,200 Israelis and foreign nationals (including 46 U.S. citizens in Israel) were killed, and Hamas and other groups also seized an estimated 251 hostages.

According to government documents presented during the U.S. v. HLF trial, Nihad Awad, CAIR's current National Executive Director, was listed as a representative of CAIR during a meeting held between October 2–3, 1993, in Philadelphia. The organization is believed to have been created at this meeting where Hamas operatives – under FBI surveillance – strategized about how to support Hamas's mission while evading law enforcement detection. The wiretapped transcripts captured attendees, including Nihad Awad, discussing the need for “deception,” “camouflage,” and maintaining a “front” organization. One year later, Nihad Awad and Omar Ahmad officially founded CAIR. Additionally, in a 1994 forum discussion videotaped at Barry University, Awad declared: “I am in support of the Hamas movement.”

1. Recent Legal Action Against MB in the US

Federally, in November 2025, certain MB chapters (Lebanese MB, Egyptian MB, and Jordanian MB) were designated as Foreign Terrorist Organizations and Specially Designated Global

Terrorists (ref. EO 14362). Following this executive order, in early 2026, the Lebanese MB and Sudanese MB received terrorist designations by the U.S. Department of State. Other off-shoots of MB chapters had previously been designated, including Egyptian Islamic Jihad, Gama'a al-Islamiyya, Palestinian Islamic Jihad, Hamas, Harakat Sawa'd Misr, and Liwa al-Thawra.

As of November 2025, CAIR is designated as Foreign Terrorist and Transnational Criminal Organizations under Texas Penal and Texas Property Codes, which led to property acquisition bans and civil enforcement authority for the Attorney General. Texas' Governor directed the Texas Department of Public Safety to launch criminal investigations into CAIR and the MB, and announced a separate investigation into 'Sharia tribunals masquerading as legal courts' in Collin and Dallas counties, which is connected to the broader actions against CAIR. In February 2026, Texas' Attorney General filed lawsuits against CAIR and the MB, with the intent to ban them from operating in Texas, prohibit fundraising and membership solicitation, and block property ownership in the state.

On March 9, 2026, the U.S. Department of State (DOS) announced the designation of the Sudanese Muslim Brotherhood as a Specially Designated Global Terrorist and the intent to designate the group as a Foreign Terrorist Organization. The DOS announcement fact sheet indicated the Sudanese MB fighters have conducted mass executions of civilians in areas they captured, and repeatedly and summarily executed civilians based on race, ethnicity, or perceived affiliation with opposition groups.

The Chief of Domestic Security formally issues this Notice of Intent for the purpose of designating **Abdallah Azzam Brigades (also known as Abdullah Azzam Brigades, Ziyad al-Jarrah Battalions of the Abdullah Azzam Brigades, and Yusuf al-'Uyayri Battalions of the Abdullah Azzam Brigades)** as a Florida Foreign Terrorist Organization.

In accordance with CS/CS/HB 1471 (2026) and s.943.03102, a designated foreign terrorist organization must meet the following legal criteria:

1. The organization is designated as a foreign terrorist organization by the United States Secretary of State pursuant to s. 219 of the Immigration and Nationality Act.
 - i. It must be a foreign organization.
 - ii. The organization must engage in terrorist activity, as defined in section 212 (a)(3)(B) of the INA (8 U.S.C. § 1182(a)(3)(B)), or terrorism, as defined in section 140(d)(2) of the Foreign Relations Authorization Act, Fiscal Years 1988 and 1989 (22 U.S.C. § 2656f(d)(2)), or retain the capability and intent to engage in terrorist activity or terrorism.
 - iii. The organization's terrorist activity or terrorism must threaten the security of U.S. nationals or the national security (national defense, foreign relations, or the economic interests) of the United States.
2. The terrorist activity of the organization is an ongoing threat to the security of this state or the United States.

Foreign Terrorist Organization (FTO) Criteria:

1. Designated FTO by the U.S. Department of State

☒ The organization is designated as a foreign terrorist organization by the [United States Department of State](#) pursuant to s. 219 of the Immigration and Nationality Act.

Abdallah Azzam Brigades was designated a foreign terrorist organization by the United States Department of State on May 30, 2012 (Federal Register/Vol. 77, No. 104).

2. Ongoing threat to the security of this state or the United States

☒ The terrorist activity of the organization is an ongoing threat to the security of this state or the United States.

Under the Intelligence Reform and Terrorism Prevention Act of 2004 (IRTPA), a review of a designated federal Foreign Terrorist Organization must be conducted by the United States Secretary of State every five years to determine whether revocation of the designation is appropriate. As Abdallah Azzam Brigades is still designated at the federal level, the organization remains an ongoing threat to the security of the United States (8 U.S.C. § 1189).

The Chief of Domestic Security formally issues this Notice of Intent for the purpose of designating **al-Ashtar Brigades (also known as AAB, and Saraya al-Ashtar)** as a Florida Foreign Terrorist Organization.

In accordance with CS/CS/HB 1471 (2026) and s.943.03102, a designated foreign terrorist organization must meet the following legal criteria:

1. The organization is designated as a foreign terrorist organization by the United States Secretary of State pursuant to s. 219 of the Immigration and Nationality Act.
 - i. It must be a foreign organization.
 - ii. The organization must engage in terrorist activity, as defined in section 212 (a)(3)(B) of the INA (8 U.S.C. § 1182(a)(3)(B)), or terrorism, as defined in section 140(d)(2) of the Foreign Relations Authorization Act, Fiscal Years 1988 and 1989 (22 U.S.C. § 2656f(d)(2)), or retain the capability and intent to engage in terrorist activity or terrorism.
 - iii. The organization's terrorist activity or terrorism must threaten the security of U.S. nationals or the national security (national defense, foreign relations, or the economic interests) of the United States.
2. The terrorist activity of the organization is an ongoing threat to the security of this state or the United States.

Foreign Terrorist Organization (FTO) Criteria:

1. Designated FTO by the U.S. Department of State

- ☒ The organization is designated as a foreign terrorist organization by the [United States Department of State](#) pursuant to s. 219 of the Immigration and Nationality Act.

Regulated Fund considered but declined to participate in, and concerning Co-Investment Transactions in which the Regulated Fund participated, so that the Non-Interested Trustees may determine whether all Potential Co-Investment Transactions and Co-Investment Transactions during the preceding quarter, including those Potential Co-Investment Transactions which the Regulated Fund considered but declined to participate in, comply with the conditions of the Order. In addition, the Non-Interested Trustees will consider at least annually: (a) The continued appropriateness for the Regulated Fund of participating in new and existing Co-Investment Transactions, and (b) the continued appropriateness of any Board-Established Criteria.

10. Each Regulated Fund will maintain the records required by section 57(f)(3) of the Act as if each of the Regulated Funds were a BDC and each of the investments permitted under these conditions were approved by the Required Majority under section 57(f) of the Act.

11. No Non-Interested Trustee of a Regulated Fund will also be a director, general partner, managing member or principal, or otherwise an "affiliated person" (as defined in the Act) of any of the Affiliated Investors.

12. The expenses, if any, associated with acquiring, holding or disposing of any securities acquired in a Co-Investment Transaction (including, without limitation, the expenses of the distribution of any such securities registered for sale under the 1933 Act) will, to the extent not payable by the Advisers under their respective investment advisory agreements with Affiliated Investors and the Regulated Funds, be shared by the Regulated Funds and the Affiliated Investors in proportion to the relative amounts of the securities held or to be acquired or disposed of, as the case may be.

13. Any transaction fee¹⁹ (including break-up, structuring, monitoring or commitment fees but excluding broker's fees contemplated by section 17(e) or 57(k) of the Act, as applicable), received in connection with a Co-Investment Transaction will be distributed to the participating Regulated Funds and Affiliated Investors on a pro rata basis based on the amounts they invested or committed, as the case may be, in such Co-Investment Transaction. If any transaction fee is to be held by an Adviser pending consummation of the

transaction, the fee will be deposited into an account maintained by the Adviser at a bank or banks having the qualifications prescribed in section 26(a)(1) of the Act, and the account will earn a competitive rate of interest that will also be divided pro rata among the participating Regulated Funds and Affiliated Investors based on the amount they invest in such Co-Investment Transaction. None of the Advisers, the Primary Advisers, the Affiliated Investors, the other Regulated Funds nor any affiliated person of the Regulated Funds or Affiliated Investors will receive additional compensation or remuneration of any kind as a result of or in connection with a Co-Investment Transaction (other than (a) in the case of the Regulated Funds and the Affiliated Investors, the pro rata transaction fees described above and fees or other compensation described in condition 2(c)(iii)(C), and (b) in the case of an Adviser or Primary Adviser, investment advisory fees paid in accordance with their respective agreements between the Advisers and the Regulated Fund or Affiliated Investor).

14. If the Holders own in the aggregate more than 25% of the Shares, then the Holders will vote such Shares as directed by an independent third party when voting on (1) the election of trustees; (2) the removal of one or more trustees; or (3) all other matters under either the Act or applicable state law affecting the Board's composition, size or manner of election.

15. Each Regulated Fund's chief compliance officer, as defined in rule 38a-1(a)(4) under the Act, will prepare an annual report for its Board each year that evaluates (and documents the basis of that evaluation) the Regulated Fund's compliance with the terms and conditions of the application and the procedures established to achieve such compliance.

16. The Affiliated Proprietary Accounts will not be permitted to invest in a Potential Co-Investment Transaction except to the extent the aggregate demand from the Regulated Funds and the other Affiliated Investors is less than the total investment opportunity.

For the Commission, by the Division of Investment Management, under delegated authority.

Assistant Secretary.

Notice of Intent of Designating **al-Mulathamun Battalion** as a Florida Foreign Terrorist Organization

The Chief of Domestic Security formally issues this Notice of Intent for the purpose of designating **al-Mulathamun Battalion (also known as al-Mulathamun Brigade, al-Muwaqqi'un bil-Dima, Those Signed in Blood Battalion, Signatories in Blood, Those Who Sign in Blood, Witnesses in Blood, Signed-in-Blood Batallion, Masked Men Brigade, Khaled Abu al-Abbas Brigade, al-Mulathamun Masked Ones Brigade, al-Murabitoun, and The Sentinels)** as a Florida Foreign Terrorist Organization.

In accordance with CS/CS/HB 1471 (2026) and s.943.03102, a designated foreign terrorist organization must meet the following legal criteria:

1. The organization is designated as a foreign terrorist organization by the United States Secretary of State pursuant to s. 219 of the Immigration and Nationality Act.
 - i. It must be a foreign organization.
 - ii. The organization must engage in terrorist activity, as defined in section 212 (a)(3)(B) of the INA (8 U.S.C. § 1182(a)(3)(B)), or terrorism, as defined in section 140(d)(2) of the Foreign Relations Authorization Act, Fiscal Years 1988 and 1989 (22 U.S.C. § 2656f(d)(2)), or retain the capability and intent to engage in terrorist activity or terrorism.
 - iii. The organization's terrorist activity or terrorism must threaten the security of U.S. nationals or the national security (national defense, foreign relations, or the economic interests) of the United States.
2. The terrorist activity of the organization is an ongoing threat to the security of this state or the United States.

Foreign Terrorist Organization (FTO) Criteria:

1. Designated FTO by the U.S. Department of State

☒ The organization is designated as a foreign terrorist organization by the [United States Department of State](#) pursuant to s. 219 of the Immigration and Nationality Act.

al-Mulathamun Battalion was designated a foreign terrorist organization by the United States Department of State on December 19, 2013 (Federal Register/Vol. 78, No. 244).

2. Ongoing threat to the security of this state or the United States

☒ The terrorist activity of the organization is an ongoing threat to the security of this state or the United States.

Under the Intelligence Reform and Terrorism Prevention Act of 2004 (IRTPA), a review of a designated federal Foreign Terrorist Organization must be conducted by the United States Secretary of State every five years to determine whether revocation of the designation is appropriate. As al-Mulathamun Battalion is still designated at the federal level, the organization remains an ongoing threat to the security of the United States (8 U.S.C. § 1189).

Federal supply contracts set-aside for small businesses, SDVO small businesses, WOSB concerns, or Participants in the SBA's 8(a) BD Program provide the product of a small business manufacturer or processor, if the recipient is other than the actual manufacturer or processor of the product. This requirement is commonly referred to as the Nonmanufacturer Rule. See 13 CFR 121.406(b), 125.15(c), 127.505. Sections 8(a)(17)(B)(iv)(II) and 46(a)(4)(B) of the Act authorize SBA to waive the Nonmanufacturer Rule for any "class of products" (known as a "class waiver") for which there are no small business manufacturers or processors available to participate in the Federal market. In order to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or received a contract from the Federal Government within the last 24 months. 13 CFR 121.1202(c). SBA defines "class of products" as an individual subdivision within a NAICS Industry Number as established by the Office of Management and Budget in the NAICS Manual. 13 CFR 121.1202(d). In addition, SBA uses PSCs to further identify particular products within the NAICS Code to which a waiver would apply. SBA may then identify a specific item with a PSC and NAICS code to which a class waiver would apply.

SBA received a request to waive the Nonmanufacturer Rule for commercial ovens and broilers, PSC 7310, under NAICS code 333319 (Other Commercial and Service Industry Machinery Manufacturing). (Note: On October 1, 2012, the NAICS code for Ovens, commercial-type, manufacturing, Ranges, commercial-type, manufacturing and Gas ranges, commercial-type, manufacturing changed from 333319 to 333318.)

On May 22, 2013, SBA published in the **Federal Register** a notice of intent to waive the Nonmanufacturer Rule for the above-listed class of products. 78 FR 12108. SBA announced in the notice that it was soliciting comments and sources of small business manufacturers of this class of products. In addition, SBA used the Dynamic Small Business Search (DSBS) database to conduct independent market research. This research did not reveal any small business manufacturers that participated in the Federal market during the previous 24 months.

In response to this notice, SBA received two comments. One respondent, a small business commercial appliance equipment

dealer, claimed their market research found no small business manufacturers of this type of equipment that had conducted business with the Federal government within 24 months prior to June 1, 2013. Both respondents supported the granting of a class waiver of the Nonmanufacturer Rule for commercial-type ovens, ranges, and gas ranges. Both respondents stated that a class waiver of the Nonmanufacturer Rule would increase set-aside contract opportunities for all small businesses in an industry dominated by large businesses.

SBA considered all of the comments submitted, and after conducting thorough market research analysis, has concluded that there are no small business manufacturers of Commercial-type Ovens, Ranges, and Gas ranges. As a result, SBA is granting a class waiver of the Nonmanufacturer Rule for Commercial-type Ovens, Commercial-type Ranges, and Commercial-Type Gas ranges, under PSC 7310, NAICS Code 333318. The effect of this class waiver is to allow otherwise qualified small businesses to supply the products of other than small manufacturers or processors on intended small business set-aside contracts. However, it must be emphasized that this class waiver of the Nonmanufacturer Rule does not waive other legal requirements applicable to Government procurements, such as the Buy American Act and the Trade Agreements Act.

Director, Office of Government Contracting.

Notice of Intent of Designating **Ansaru** as a Florida Foreign Terrorist Organization

The Chief of Domestic Security formally issues this Notice of Intent for the purpose of designating **Ansaru (also known as Jama'atu Ansarul Muslimina Fi Biladis-Sudan, Ansaru Aso, Ansarul Muslimina Fi Biladis Sudan, Vanguard for the Protection of Muslims in Black Africa, JAMBS, and Jama'atu Ansarul Muslimina Fi Biladis Sudan)** as a Florida Foreign Terrorist Organization.

In accordance with CS/CS/HB 1471 (2026) and s.943.03102, a designated foreign terrorist organization must meet the following legal criteria:

1. The organization is designated as a foreign terrorist organization by the United States Secretary of State pursuant to s. 219 of the Immigration and Nationality Act.
 - i. It must be a foreign organization.
 - ii. The organization must engage in terrorist activity, as defined in section 212 (a)(3)(B) of the INA (8 U.S.C. § 1182(a)(3)(B)), or terrorism, as defined in section 140(d)(2) of the Foreign Relations Authorization Act, Fiscal Years 1988 and 1989 (22 U.S.C. § 2656f(d)(2)), or retain the capability and intent to engage in terrorist activity or terrorism.
 - iii. The organization's terrorist activity or terrorism must threaten the security of U.S. nationals or the national security (national defense, foreign relations, or the economic interests) of the United States.
2. The terrorist activity of the organization is an ongoing threat to the security of this state or the United States.

Foreign Terrorist Organization (FTO) Criteria:

1. Designated FTO by the U.S. Department of State

- ☒ The organization is designated as a foreign terrorist organization by the [United States Department of State](#) pursuant to s. 219 of the Immigration and Nationality Act.

Ansaru was designated a foreign terrorist organization by the United States Department of State on November 14, 2013 (Federal Register/Vol. 78, No. 220).

2. Ongoing threat to the security of this state or the United States

- ☒ The terrorist activity of the organization is an ongoing threat to the security of this state or the United States.

Under the Intelligence Reform and Terrorism Prevention Act of 2004 (IRTPA), a review of a designated federal Foreign Terrorist Organization must be conducted by the United States Secretary of State every five years to determine whether revocation of the designation is appropriate. As Ansaru is still designated at the federal level, the organization remains an ongoing threat to the security of the United States (8 U.S.C. § 1189).

the underlying security is trading on another exchange. Instead of only relying on the “primary market,” the proposed rule change attempts to clarify when options will trade on the Exchange to allow greater continuity in the marketplace. By allowing the Exchange to trade options whenever the underlying securities are trading, the proposed rule change seeks to create less of a disconnect if the “primary” market should be experiencing technical difficulties, an emergency, or other situation that may inhibit it to be connected to the marketplace.

B. Self-Regulatory Organization’s Statement on Burden on Competition

This proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe the proposed rule change imposes any burden on intramarket competition because it will apply to all Members [sic]. In addition, the Exchange does not believe the proposed rule change will impose any burden on intermarket competition as it will merely give the Exchange discretion to trade options when there is an ample market for the underlying security of those options. Thus, the Exchange believes the proposed rule change will promote competition by giving the Exchange the ability to trade options when the underlying security is trading anywhere, and, thus, helping the Exchange to better participate in the marketplace. Additionally, as noted above, the proposed rule change is a competitive response to a recently approved rule filing submitted by the CBOE.⁹ ISE believes this proposed rule change is necessary to permit fair competition among the options exchanges.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange believes that the foregoing proposed rule change may take effect upon filing with the Commission pursuant to

Section 19(b)(3)(A)¹⁰ of the Act and Rule 19b-4(f)(6) thereunder¹¹ because the foregoing proposed rule change does not (i) significantly affect the protection of investors or the public interest, (ii) impose any significant burden on competition, and (iii) become operative for 30 days after its filing date, or such shorter time as the Commission may designate.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-ISE-2013-55 on the subject line.

Paper Comments

- Send paper comments in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-ISE-2013-55. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission’s Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the

public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission’s Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-ISE-2013-55 and should be submitted on or before December 5, 2013.

The Chief of Domestic Security formally issues this Notice of Intent for the purpose of designating **Army of Islam (also known as Jaish al-Islam, and Jaysh al-Islam)** as a Florida Foreign Terrorist Organization.

In accordance with CS/CS/HB 1471 (2026) and s.943.03102, a designated foreign terrorist organization must meet the following legal criteria:

1. The organization is designated as a foreign terrorist organization by the United States Secretary of State pursuant to s. 219 of the Immigration and Nationality Act.
 - i. It must be a foreign organization.
 - ii. The organization must engage in terrorist activity, as defined in section 212 (a)(3)(B) of the INA (8 U.S.C. § 1182(a)(3)(B)), or terrorism, as defined in section 140(d)(2) of the Foreign Relations Authorization Act, Fiscal Years 1988 and 1989 (22 U.S.C. § 2656f(d)(2)), or retain the capability and intent to engage in terrorist activity or terrorism.

2. The terrorist activity of the organization is an ongoing threat to the security of this state or the United States.

Foreign Terrorist Organization (FTO) Criteria:

1. Designated FTO by the U.S. Department of State

- ☒ The organization is designated as a foreign terrorist organization by the [United States Department of State](#) pursuant to s. 219 of the Immigration and Nationality Act.

Army of Islam was designated a foreign terrorist organization by the United States Department of State on May 23, 2011 (Federal Register/Vol. 76, No. 99).

2. Ongoing threat to the security of this state or the United States

- ☒ The terrorist activity of the organization is an ongoing threat to the security of this state or the United States.

Under the Intelligence Reform and Terrorism Prevention Act of 2004 (IRTPA), a review of a designated federal Foreign Terrorist Organization must be conducted by the United States Secretary of State every five years to determine whether revocation of the designation is appropriate. As Army of Islam is still designated at the federal level, the organization remains an ongoing threat to the security of the United States (8 U.S.C. § 1189).

such a finding to the Associate Commissioner of the Office of International Programs. Under that authority, the Associate Commissioner of the Office of International Programs has approved a finding that St. Vincent and the Grenadines, beginning December 1, 2009, has a social insurance system of general application which:

(a) Pays periodic benefits, or the actuarial equivalent thereof, on account of old age, retirement, or death; and

(b) Permits United States citizens who are not citizens of St. Vincent and the Grenadines to receive such benefits, or their actuarial equivalent, at the full rate without qualification or restriction while outside St. Vincent and the Grenadines.

Accordingly, it is hereby determined and found that St. Vincent and the Grenadines has in effect, beginning December 1, 2009, a social insurance system which meets the requirements of section 202(t)(2) of the Social Security Act (42 U.S.C. 402(t)(2)).

St. Vincent and the Grenadines became an independent nation on October 27, 1979. At that time, it was determined that St. Vincent and the Grenadines did not have a pension system that met the requirements of section 202(t)(2) of the Social Security Act. The country's provident system did not provide for the payment of periodic benefits as required under section 202(t)(2)(A). Notice appeared in the **Federal Register** on March 12, 1982. Based on the 1981 determination of record, citizens of St. Vincent and the Grenadines cannot meet the exception provided under section 202(t)(2) of the Social Security Act. However, they have been afforded the limited exceptions provided under section 202(t)(4) of the Act.

In 1986, St. Vincent and the Grenadines instituted a social insurance system that became operational in 1987. The system provides old-age, disability, and survivor's benefits, as well as other types of social insurance. Information recently obtained from St. Vincent and the Grenadines' National Insurance Institute contains detailed information on the country's social insurance system and the coverage of its labor force. This information required a new determination under the section 202(t)(2) provisions.

Acting under the authority of and in accordance with section 1(b) of Executive Order 13224 of September 23, 2001, as amended by Executive Order 13268 of July 2, 2002, and Executive Order 13284 of January 23, 2003, I hereby determine that the organization known as Army of Islam, also known as Jaish al-Islam, also known as Jaysh al-Islam, has committed, or poses a significant risk of committing, acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States.

Consistent with the determination in section 10 of Executive Order 13224 that "prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously," I determine that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Specially Designated Global Terrorist Designation of Barrio 18

Acting under the authority of and in accordance with section 1(a)(ii)(A) of Executive Order 13224, as amended (“E.O. 13224” or “Order”), I hereby determine that the person known as Barrio 18 (also known as Calle 18, The Revolutionaries, Sureños) is a foreign person who has committed or has attempted to commit, poses a significant risk of committing, or has participated in training to commit acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States.

Specially Designated Global Terrorist Designations of Tren de Aragua, Mara Salvatrucha, Cartel de Sinaloa, Cartel de Jalisco Nueva Generacion, Carteles Unidos, Cartel del Noreste, Cartel del Golfo, and La Nueva Familia Michoacana

Acting under the authority of and in accordance with section 1(a)(ii)(A) of Executive Order 13224, as amended (“E.O. 13224” or “Order”), I have determined that the persons known as Tren de Aragua (also known as Aragua Train); Mara Salvatrucha (also known as MS–13); Cartel de Sinaloa (also known as Sinaloa Cartel, Mexican Federation, Guadalajara Cartel); Cartel de Jalisco Nueva Generacion (also known as New Generation Cartel of Jalisco, CJNG, Jalisco New Generation Cartel); Carteles Unidos (also known as United Cartels, Tepalcatepec Cartel, Cartel de Tepalcatepec, The Grandfather Cartel, Cartel del Abuelo, Cartel de Los Reyes); Cartel del Noreste (also known as CDN, Northeast Cartel, Los Zetas); Cartel del Golfo (also known as CDG, Gulf Cartel, Osiel Cardenas-Guillen Organization); and La Nueva Familia Michoacana (also known as LNFm) are foreign persons that have committed or have attempted to commit, pose a significant risk of committing, or have participated in training to commit acts of terrorism that threaten the security of United States nationals or the national security,

foreign policy, or economy of the United States.

Consistent with the determination in section 10 of E.O. 13224 that prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously, I have determined that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

This determination shall be published in the **Federal Register**.

Abstract of Proposed Collection

The information requested will be used to support entry of the name of a minor (an unmarried, unemancipated person under 18 years of age) into the Children's Passport Issuance Alert Program (CPIAP). CPIAP provides a mechanism for legal parents or other persons with legal custody of a minor to obtain information regarding whether the Department has received a passport application for the minor. This program was developed as a means to prevent international parental child abduction and to help prevent other travel of a minor without the consent of a legal

parent or legal guardian. If a minor's name and other identifying information has been entered into the CPIAP, when the Department receives an application for a new, replacement, or renewed passport for the minor, the application may be placed on hold for up to 90 days and the Office of Children's Issues may attempt to notify the requestor of receipt of the application. Form DS-3077 will be primarily submitted by a legal parent or legal guardian of a minor. This collection is authorized by 22 CFR 51.28, which is the regulation that implements the statutory two-parent consent requirement and prescribes the bases for an exception to the requirement.

Changes Since Last Renewal

- Section 2 of the DS-3077, documentation of Parentage, Guardianship, Legal Custody OR Authority to Act on Behalf of a Parent or Legal Guardian, as applicable: Option to select Consular Report of Birth (CRBA) deleted. 2023 88 FR 41024 (22 CFR 51.28 revision) removed the CRBA as evidence, by itself, of a parental relationship, sole parentage, and/or custody.
- The Privacy Act Statement was shortened and edited for plain language.
- The updated DS-3077 fillable form will now allow the requester an e-signature option to type their name in the signature box in lieu of an ink signature in part 3 of DS-3077.
- Eliminate references to transmittal by fax.
- Allow for a web-based version to exist for online submissions.

Methodology

The completed Form DS-3077 can be filled out online and printed or completed by hand. The form must be manually signed and submitted to the Office of Children's Issues by email or mail with supporting documentation. Retyping the signer's name using a digital device is as acceptable as signing with pen and paper.

Response to Public Comments

There was one public comment in response to the 60 day notice. The commenter expressed a preference for an exception to personal appearance of a minor passport applicant which is not a requirement of the DS-3077 information collection.

**OFFICE OF THE UNITED STATES
TRADE REPRESENTATIVE**

**Identification of Countries Under
Section 182 of the Trade Act of 1974:
Request for Public Comment**

AGENCY: Office of the United States Trade Representative.

ACTION: Request for written submissions from the public.

SUMMARY: Section 182 of the Trade Act of 1974 (Trade Act) (19 U.S.C. 2242), requires the United States Trade Representative (USTR) to identify countries that deny adequate and effective protection of intellectual property rights or deny fair and equitable market access to U.S. persons who rely on intellectual property protection. Section 182 is commonly referred to as the "Special 301" provision in the Trade Act. In addition, USTR is required to determine which of those countries should be identified as Priority Foreign Countries. On May 3, 2004, USTR announced the results of the 2004 Special 301 review and stated that an Out-of-Cycle Review (OCR) would be conducted in the summer for Israel. USTR requests written comments from the public concerning the acts, policies, and practices relevant for this review under section 182 of the Trade Act.

DATES: Submissions must be received on or before 12 noon on Friday, August 6, 2004.

ADDRESSES: All comments should be sent to Sybia Harrison, Special Assistant to the Section 301 Committee, at the following e-mail address: FR0436@ustr.gov, with "Special 301 Out-of-Cycle Review" in the subject line. Please note, only electronic submissions will be accepted.

FOR FURTHER INFORMATION CONTACT: Brian Peck, Senior Director for Intellectual Property, (202) 395-6864; or Stanford McCoy, Assistant General Counsel, (202) 395-3581, Office of the United States Trade Representative.

SUPPLEMENTARY INFORMATION: Pursuant to section 182 of the Trade Act, USTR must identify those countries that deny adequate and effective protection for intellectual property rights or deny fair and equitable market access to U.S. persons who rely on intellectual property protection. Those countries that have the most onerous or egregious acts, policies, or practices and whose acts, policies, or practices have the greatest adverse impact (actual or potential) on relevant U.S. products may be identified as Priority Foreign Countries. Acts, policies, or practices

that are the basis of a country's designation as a Priority Foreign Country are normally the subject of an investigation under the section 301 provisions of the Trade Act.

On May 3, 2004, USTR announced the results of the 2004 Special 301 review, including an announcement that an Out-of-Cycle Review (OCR) would be conducted in the summer for Israel. Additional countries may also be reviewed as warranted by events.

Requirements for Comments: Comments should include a description of the problems experienced and the effect of the acts, policies, and practices on U.S. industry. Comments should be as detailed as possible and should provide all necessary information for assessing the effect of the acts, policies, and practices. Any comments that include quantitative loss claims should be accompanied by the methodology used in calculating such estimated losses.

Comments must be in English and sent electronically. No submissions will be accepted via postal service mail. Documents should be submitted as either WordPerfect, MS Word, or text (.TXT) files. Supporting documentation submitted as spreadsheets are acceptable as Quattro Pro or Excel files. A submitter requesting that information contained in a comment be treated as confidential business information must certify that such information is business confidential and would not customarily be released to the public by the submitter. A non-confidential version of the comment must also be provided. For any document containing business confidential information, the file name of the business confidential version should begin with the characters "BC-", and the file name of the public version should begin with the character "P-". foreign persons who have committed or have attempted to commit, pose a significant risk of committing, or have participated in training to commit acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States.

Consistent with the determination in section 10 of E.O. 13224 that prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously, I determine that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

**Notice of Computer Matching Program,
Social Security Administration (SSA)
With the Office of Personnel
Management (OPM)**

A. Participating Agencies

SSA and OPM.

B. Purpose of the Matching Program

The purpose of this agreement is to establish the conditions, terms and safeguards under which OPM agrees to the disclosure of civil service benefit and payment data to SSA. The old-age, survivors, disability insurance (OASDI), supplemental security income (SSI), and special veterans' benefits (SVB) programs administered by SSA will use the match results under this agreement. The OASDI programs are social insurance programs. The SSI program pays benefits to aged, blind and disabled recipients with incomes below levels established by law and regulations. The SVB program provides special benefits to certain World War II veterans. The results of the matching operations are used to determine SSI eligibility and to determine beneficiaries whose benefits should be reduced due to the Public Disability Benefit offset provision, the Windfall Elimination Provision, and the Government Pension Offset provision.

*C. Authority for Conducting the
Matching Program*

The legal authority for SSA to conduct this matching activity for SSI purposes is contained in section 1631(e)(1)(B) and (f) of the Social Security Act (42 U.S.C. 1383(e)(1)(B) and (f)) and for the SVB program as authorized by section 806 of the Social Security Act (42 U.S.C. 1006). Section 224 of the Social Security Act, 42 U.S.C. 424a, provides for the reduction of Social Security disability benefits when the disabled worker is also entitled to a Public Disability Benefit. Sections 215(a)(7) and 215(d)(3) of the Social Security Act (42 U.S.C. 415(a)(7) and 415(d)(3)) provide for a modified benefit computation to be used for certain beneficiaries who are concurrently entitled to both Social Security benefits and a monthly periodic payment based in whole or in part on employment not covered by Social Security, including a civil service benefit. This modified benefit computation is called the Windfall Elimination Provision. Section 202(k)(5)(A) of the Social Security Act (42 U.S.C. 402(k)(5)(A)) requires that

SSA reduce the Social Security benefits of certain beneficiaries entitled to Social Security spouse's benefits who are also entitled to a government pension based on their own noncovered earnings. This reduction is referred to as Government Pension Offset.

*D. Categories of Records and
Individuals Covered by the Matching
Program*

Monthly, OPM will provide SSA with an electronic file containing civil service benefit and payment data from the annuity and survivor master file. The **Federal Register** designation for the OPM file is OPM/Central-1 Civil Service Retirement and Insurance Records. Pursuant to 5 U.S.C. 552a(b)(3), OPM has established routine uses to disclose the subject information to SSA.

Each record on the OPM file will be matched for Social Security Number (SSN) verification to SSA's Master Files of SSN Holders and SSN Applications. The **Federal Register** designation for the SSA file is Master Files of SSN Holders and SSN Applications, SSA/OSR, 60-0058. Those records verified will then be matched to SSA's SSI and SVB payment information maintained in the SSR and SVB. The **Federal Register** designation for the SSA file is SSR and SVB, SSA/OSR, 60-0103.

The file will also contain information about each new disability annuitant and annuitants whose disability benefits have changed from previous reports. The **Federal Register** designation for the OPM file is also OPM/Central-1 Civil Service Retirement and Insurance Records. Pursuant to 5 U.S.C. 552a(b)(3), OPM has established routine uses to disclose the subject information to SSA.

Each record on the OPM file will be matched for Social Security Number (SSN) verification to SSA's Master Files of SSN Holders and SSN Applications. The **Federal Register** designation for the SSA file is Master Files of SSN Holders and SSN Applications, SSA/OSR, 60-0058. Those records verified will then be matched to DI records on the MBR to identify DI beneficiaries who may be subject to PDB offset. Those records verified will also be matched to SSA's MBR for WEP and GPO purposes. The **Federal Register** designation for the SSA file is MBR, SSA/OSR, 60-0090.

This monthly file contains approximately 25,000 records. OPM will provide SSA with the entire master annuity file of approximately 2.7 million records once yearly for the month of the civil service cost-of-living allowance.

*E. Inclusive Dates of the Matching
Program*

The matching program will become effective no sooner than 40 days after notice of the matching program is sent to Congress and the Office of Management and Budget, or 30 days after publication of this notice in the **Federal Register**, whichever date is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.

Acting under the authority of and in accordance with section 1(b) of Executive Order 13224 of September 23, 2001, as amended by Executive Order 13268 of July 2, 2002, and Executive Order 13284 of January 23, 2003, I hereby determine that the person known as of Hizbul Mujahideen, also known as Hizb-ul-Mujahideen, also known as HM, committed, or poses a significant risk of committing, acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States.

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2012-0032]

Commercial Driver's License Standards: Application for Exemption; Daimler Trucks North America (Daimler)

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of final disposition; grant of application for exemption.

SUMMARY: FMCSA announces its decision to grant an exemption to Daimler Trucks North America (Daimler) for one of its commercial motor vehicle (CMV) drivers. Daimler requested a 5-year exemption from the Federal requirement to hold a U.S. commercial driver's license (CDL) for Mr. Philipp Helbing, a project engineer for the Daimler Trucks and Bus Division. Mr. Helbing holds a valid German commercial license and wants to test-drive Daimler vehicles on U.S. roads to better understand product requirements for these systems in "real world" environments, and verify results. Daimler believes the requirements for a German commercial license ensure that holders of the license will likely achieve a level of safety equal to or greater than that of drivers who hold a U.S. State-issued CDL.

DATES: This exemption is applicable August 17, 2017 and expires August 17, 2022.

ADDRESSES:

Docket: For access to the docket to read background documents or comments, go to www.regulations.gov at any time or visit Room W12-140 on the ground level of the West Building, 1200 New Jersey Avenue SE., Washington, DC, between 9 a.m. and 5 p.m., ET, Monday through Friday, except Federal holidays. Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to www.regulations.gov and insert the docket number, "FMCSA-2012-0032" in the "Keyword" box and click "Search." Next, click the "Open Docket Folder" button and choose the document to review. If you do not have access to the Internet, you may view the docket online by visiting the Docket Management Facility in Room W12-140 on the ground floor of the DOT West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., e.t., Monday through Friday, except Federal holidays.

II. Legal Basis

FMCSA has authority under 49 U.S.C. 31136(e) and 31315 to grant exemptions from the Federal Motor Carrier Safety Regulations. FMCSA must publish a notice of each exemption request in the **Federal Register** (49 CFR 381.315(a)). The Agency must provide the public an opportunity to inspect the information relevant to the application, including any safety analyses that have been conducted. The Agency must also provide an opportunity for public comment on the request.

The Agency reviews the safety analyses and the public comments, and determines whether granting the exemption would likely achieve a level of safety equivalent to, or greater than, the level that would be achieved by the current regulation (49 CFR 381.305). The decision of the Agency must be published in the **Federal Register** (49 CFR 381.315(b)) with the reason for the grant or denial, and, if granted, the specific person or class of persons receiving the exemption, and the regulatory provision or provisions from which exemption is granted. The notice must also specify the effective period of the exemption (up to 5 years), and explain the terms and conditions of the exemption. The exemption may be renewed (49 CFR 381.300(b)).

Request for Exemption

On behalf of Mr. Philipp Helbing, Daimler has applied for a 5-year exemption from 49 CFR 383.23, which prescribes licensing requirements for drivers operating CMVs in interstate or intrastate commerce. Mr. Helbing is

WTO Dispute Settlement Proceeding Regarding United States—Origin Marking Requirement (Hong Kong, China)

AGENCY: Office of the United States Trade Representative.

ACTION: Notice with request for comments.

SUMMARY: The Office of the United States Trade Representative (USTR) is providing notice that Hong Kong, China has requested the establishment of a dispute settlement panel under the Marrakesh Agreement Establishing the World Trade Organization (WTO Agreement). You can find that request at www.wto.org in a document designated as WT/DS597/5. USTR invites written comments from the public concerning the issues raised in this dispute.

Follow the instructions for submitting comments in Section III below. The docket number is USTR–2021–0001. For alternatives to submission through *Regs.gov*, please contact Sandy McKinzy at (202) 395–9483.

SUPPLEMENTARY INFORMATION:

I. Background

Section 127(b)(1) of the Uruguay Round Agreements Act (URAA) (19 U.S.C. 3537(b)(1)) requires notice and opportunity for comment after the

United States submits or receives a request for the establishment of a WTO dispute settlement panel. Pursuant to this provision, USTR is providing notice that Hong Kong, China, has requested the establishment of a dispute settlement panel pursuant to the WTO Understanding on Rules Procedures Governing the Settlement of Disputes (DSU). In normal circumstances, once the WTO establishes a dispute settlement panel, the panel typically holds its meetings in Geneva, Switzerland.

II. Major Issues Raised by Hong Kong, China

On October 30, 2020, Hong Kong, China, requested consultations with the United States concerning certain measures affecting marks of origin with respect to imported goods produced in Hong Kong, China. You can find the consultation request at www.wto.org in a document designated as WT/DS597/1. The United States and Hong Kong, China, held consultations on November 24, 2020. On January 14, 2021, Hong Kong, China, made its request to the WTO to establish a WTO dispute settlement panel. On February 22, 2021, the WTO established a dispute settlement panel to examine Hong Kong, China's complaint.

Hong Kong, China's panel request appears to concern measures that goods produced in Hong Kong, China, be marked to indicate that their origin is in “China” rather than “Hong Kong”. These measures include Executive Order 13936 on Hong Kong Normalization, which suspends the application of Section 201(a) of the United States–Hong Kong Policy Act of 1992 (22 U.S.C. 5721(a)) to Section 304 of the Tariff Act of 1930 (19 U.S.C. 1304), among other statutes; Section 304 of the Tariff Act of 1930; Part 134, Customs Regulations (19 CFR 134); Section 201(a) of the United States–Hong Kong Policy Act of 1992; and Country of Origin Marking of Products of Hong Kong, 85 FR 48551 (August 11, 2020). Hong Kong, China alleges that these measures are inconsistent with Articles I:1, IX:1, X:3(a) of the WTO General Agreement on Tariffs and Trade 1994; Articles 2(c), (d), and (e) of the WTO Agreement on Rules of Origin; and Article 2.1 of the WTO Agreement on Technical Barriers to Trade.

III. Public Comments: Requirements for Submissions

USTR invites written comments concerning the issues raised in this dispute. All submissions must be in English and sent electronically via Regs.gov. To submit comments via

Seminole Gulf Railway, L.P. (SGLR), has filed a verified notice of exemption under 49 CFR pt. 1152 subpart F—*Exempt Abandonments* to abandon an approximately 7.68-mile segment of its rail line known as the Venice Branch. The segment to be abandoned extends between milepost SW 890.29 on the north side of Ashton Road and milepost SW 884.70, and between milepost AZA 930.30 and milepost AZA 928.21 on the north side of State Highway 780 (Fruitville Road), partly lying within the City of Sarasota, Sarasota County, Fla., with the remainder lying within unincorporated Sarasota County (the Line). The Line traverses U.S. Postal Service Zip Codes 34232, 34233, and 34237.¹

¹ SGLR originally filed its verified notice on March 8, 2019. By letter filed on March 18, 2019, SGLR notified the Board that the verified notice inadvertently included an incorrect Zip Code and requested that the Board hold the proceeding in abeyance to allow the correction to be made and the required notice periods satisfied. That request was granted, subject to receipt of a supplemental filing. SGLR submitted that filing on March 26, 2019, and that date therefore is considered the verified notice's filed date and the basis for all dates in this notice.

Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the two-year period; and (4) the requirements at 49 CFR 1105.7 and 1105.8 (environmental report and historic report), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA)² has been received, this exemption will be effective on May 15, 2019, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,³ formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),⁴ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by April 25, 2019. A copy of any petition filed with the Board should be sent to SGLR's representative, Eric M. Hocky, Clark Hill PLC, One Commerce Square, 2005 Market Street, Suite 1000, Philadelphia, PA 19103.

If the verified notice contains false or misleading information, the exemption is void ab initio.

SGLR has filed a combined environmental and historic report that

² The Board modified its OFA procedures effective July 29, 2017. Among other things, the OFA process now requires potential offerors, in their formal expression of intent, to make a preliminary financial responsibility showing based on a calculation using information contained in the carrier's filing and publicly available information. See *Offers of Financial Assistance*, EP 729 (STB served June 29, 2017); 82 FR 30997 (July 5, 2017).

³ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

⁴ Each OFA must be accompanied by the filing fee, which is currently set at \$1,800. See 49 CFR 1002.2(f)(25).

SURFACE TRANSPORTATION BOARD

[Docket No. FD 35987]

BD Highspire Holdings, LLC—Acquisition and Operation Exemption—Mittal Steel USA-Railways Inc.

BD Highspire Holdings, LLC (BDHH),¹ a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to acquire, from Mittal Steel USA-Railways Inc. (Mittal Railways), and to operate approximately 47 miles of rail line, which includes all of the rail assets that formerly comprised the Steelton & Highspire Railroad Company, LLC (the Line).² BDHH states that the Line consists mainly of yard and switching tracks that do not have any designated mileposts. The Line connects at the east end with the Norfolk Southern Railway Company (NSR) at the NSR/Highspire Interchange, and on the west end with NSR at the NSR/Steelton Interchange, all located within Dauphin County, Pa.

According to BDHH, BDCM and ArcelorMittal USA LLC, the parent company of Mittal Railways, have reached an agreement which, when consummated, will result in BDHH purchasing the Line from Mittal Railways and operating it. BDHH states that a letter of intent covering the transaction was signed on November 13, 2015, and the parties expect to finalize a sale and purchase agreement shortly.

BDHH states that the proposed transaction does not include any interchange commitment that prohibits

BDHH from interchanging traffic with a third party or that limits BDHH's ability to interchange with a third party.

BDHH certifies that its projected annual revenues as a result of this transaction will not exceed those that would qualify it as a Class III rail carrier and states that its projected annual revenues will not exceed \$5 million.

The transaction is expected to be consummated on or after January 28, 2016, the effective date of the exemption (30 days after the verified notice was filed).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed no later than January 21, 2016 (at least seven days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35987, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on William A. Mullins, Baker & Miller PLLC, 2401 Pennsylvania Ave. NW., Suite 300, Washington, DC 20037.

According to BDHH, this action is categorically excluded from environmental review under 49 CFR 1105.6(c).

AGENCY: Office of the United States
Trade Representative.

ACTION: Request for written submissions
from the public.

SUMMARY: Section 182 of the Trade Act
 of 1974 (Trade Act) (19 U.S.C. 2242),
 requires the United States Trade
 Representative (USTR) to identify
 countries that deny adequate and

effective protection of intellectual
 property rights or deny fair and
 equitable market access to U.S. persons
 who rely on intellectual property
 protection. (Section 182 is commonly
 referred to as the "Special 301"
 provisions in the trade act.) In addition,
 the USTR is required to determine
 which of these countries should be
 identified as Priority Foreign Countries.
 Acts, policies or practices which are the
 basis of a country's identification as a
 priority foreign country are normally the
 subject of an investigation under the
 Section 301 provisions of the trade act.
 Section 182 of the Trade Act contains a
 special rule for the identification of
 actions by Canada affecting United
 States cultural industries.

USTR requests written submissions
 from the public concerning foreign
 countries' acts, policies, and practices
 that are relevant to the decision whether
 particular trading partners should be
 identified under Section 182 of the
 Trade Act.

DATES: Submissions must be received on
 or before 12 noon on Friday, February
 15, 2002.

ADDRESSES: 1724 F. Street, N.W., Room

 to Section 182 of the Trade Act, the

 deny adequate and effective protection
 for intellectual property rights or deny

 persons who rely on intellectual
 property protection. Those countries
 that have the most onerous or egregious
 acts, policies, or practices and whose
 acts, policies or practices have the
 greatest adverse impact (actual or
 potential) on relevant U.S. products are
 to be identified as Priority Foreign
 Countries. Acts, policies or practices
 that are the basis of a country's
 designation as a Priority Foreign
 country are normally the subject of an
 investigation under the section 301
 provisions of the Trade Act.

 a Priority Foreign Country if its entering
 into good faith negotiations, or making

Jaysh Rijal al-Tariq al Naqshabandi was designated a foreign terrorist organization by the United States Department of State on September 30, 2015 (Federal Register/Vol. 80, No. 189).

2. Ongoing threat to the security of this state or the United States

- ☒ The terrorist activity of the organization is an ongoing threat to the security of this state or the United States.

Under the Intelligence Reform and Terrorism Prevention Act of 2004 (IRTPA), a review of a designated federal Foreign Terrorist Organization must be conducted by the United States Secretary of State every five years to determine whether revocation of the designation is appropriate. As Jaysh Rijal al-Tariq al Naqshabandi is still designated at the federal level, the organization remains an ongoing threat to the security of the United States (8 U.S.C. § 1189).

known as Armed Men of the Naqshabandi Order also known as Naqshbandi Army also known as Naqshabandi Army also known as Men of the Army of al-Naqshbandia Way also known as Jaysh Rajal al-Tariqah al-Naqshbandia also known as JRTN also known as JRN also known as AMNO, committed, or poses a significant risk of committing, acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States.

Consistent with the determination in section 10 of Executive Order 13224 that “prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously,” I determine that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

This notice shall be published in the **Federal Register**.

Notice is hereby given that the Department of State has received an application from PMI Services North America, Inc. The Chief of Domestic Security formally issues this Notice of Intent for the purpose of designating **Juarez Cartel (aka Cartel de Juarez, La Linea, Vicente Carrillo Fuentes Organization, VCFO, Carrillo Fuentes Drug Trafficking Organization, and Barrio Azteca)** as a Florida Foreign Terrorist Organization.

In accordance with CS/CS/HB 1471 (2026) and s.943.03102, a designated foreign terrorist organization must meet the following legal criteria:

1. The organization is designated as a foreign terrorist organization by the United States Secretary of State pursuant to s. 219 of the Immigration and Nationality Act.
 - i. It must be a foreign organization.
 - ii. The organization must engage in terrorist activity, as defined in section 212 (a)(3)(B) of the INA (8 U.S.C. § 1182(a)(3)(B)), or terrorism, as defined in section 140(d)(2) of the Foreign Relations Authorization Act, Fiscal Years 1988 and 1989 (22 U.S.C. § 2656f(d)(2)), or retain the capability and intent to engage in terrorist activity or terrorism.
 - iii. The organization's terrorist activity or terrorism must threaten the security of U.S. nationals or the national security (national defense, foreign relations, or the economic interests) of the United States.
2. The terrorist activity of the organization is an ongoing threat to the security of this state or the United States.

Foreign Terrorist Organization (FTO) Criteria:

SURFACE TRANSPORTATION BOARD

[Docket No. FD 36943]

Harrison County Railroad Authority—Change of Operators Exemption—Gulf & Ship Island Railroad LLC

Harrison County Railroad Authority (HCRA), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to replace Gulf & Ship Island Railroad LLC (GSIR) as the operator over approximately 5 miles of rail line (the Line), which is part of a line of railroad commonly known as the Seaway Lead and is controlled via ownership and a lease by Harrison County Development Commission (the County), a noncarrier. The Line extends between a point approximately 800 feet east of U.S. Highway 49 on the Seaway Lead, and the end of the Seaway Lead at Bernard Bayou Industrial Park at or near Gulfport in Harrison County, Miss.

According to the verified notice, GSIR, the current operator of the Line, and the County have terminated their agreement, and HCRA will become the new operator of the Line. HCRA states that it is a subsidiary of the County, which voted on June 30, 2026, to authorize HCRA to file its verified notice. HCRA represents that GSIR stated it would not oppose the change of operating authority, which will release GSIR from its common carrier obligation.

HCRA certifies that its projected annual revenues as a result of this transaction will not result in the creation of a Class II or Class I rail carrier and will not exceed \$5 million. HCRA also certifies that the proposed transaction does not impose or include an interchange commitment. Under 49 CFR 1150.32(b), a change in operators exemption requires that notice be given to shippers. HCRA certifies that it has provided a copy of its verified notice to all customers on the Line.

The transaction may be consummated on or after July 30, 2026, the effective date of the exemption (30 days after the verified notice was filed).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed by July 23, 2026 (at least seven days before the exemption becomes effective).

1. Designated FTO by the U.S. Department of State

- ☒ The organization is designated as a foreign terrorist organization by the [United States Department of State](#) pursuant to s. 219 of the Immigration and Nationality Act.

[Public Notice 6690]

Designation and Determination Under the Foreign Missions Act

Pursuant to the authority vested in the Secretary of State by the laws of the United States, including the Foreign Missions Act, 22 U.S.C. 4301 *et seq.*, and delegated by the Secretary to me as one of the President's principal officers for foreign affairs by Delegation of Authority No. 245-1 of February 13, 2009, and at the direction of the Secretary of State, and after due consideration of the benefits, privileges, and immunities provided to missions of the United States abroad, as well as matters related to the protection of the interests of the United States, and at the request of foreign missions, I hereby designate exemption from real property taxes on property owned by foreign governments and used to house staff of permanent missions to the United Nations or the Organization of American States or of consular posts as a benefit for purposes of the Foreign Missions Act. I further determine that such exemption shall be provided to such foreign missions on such terms and conditions as may be approved by the Office of Foreign Missions and that any state or local laws to the contrary are hereby preempted. Prior inconsistent guidance is hereby rescinded. This action is in accord with the tax treatment of foreign government-owned property in the United States used as residences for staff of bilateral diplomatic missions, see Department of State, Notice: Property Owned by Diplomatic Missions and Used to House the Staff of Those Missions is Exempt from General Property Taxes, 51 FR 27303 (July 30, 1986), and conforms to the general practice abroad of exempting government-owned property used for bilateral or multilateral diplomatic and consular mission housing.

This action is necessary to facilitate relations between the United States and foreign states, to protect the interests of the United States, to allow for a more cost effective approach to obtaining benefits for U.S. missions abroad, and to

assist in resolving a dispute affecting U.S. interests and involving foreign governments which assert that international law requires the exemption from taxation of such diplomatic and consular properties. The dispute has become a major irritant in the United States' bilateral relations and threatens to cost the United States hundreds of millions of dollars in reciprocal taxation. As the largest foreign-government property owner overseas, the United States benefits financially much more than other countries from an international practice exempting staff residences from real property taxes, and it stands to lose the most if the practice is undermined. Responsive measures taken against the United States because of the dispute also have impeded significantly the State Department's ability to implement urgent and congressionally mandated security improvements to our Nation's diplomatic and consular facilities abroad, imposing unacceptable risks to the personnel working in those facilities. This action will allow the United States to press forward with improvements that will protect those who represent the Nation's interests abroad.

The exemption from real property taxes provided by this designation and determination shall apply to taxes that have been or will be assessed against any foreign government with respect to property subject to this determination, and shall operate to nullify any existing tax liens with respect to such property, but shall not operate to require refund of any taxes previously paid by any foreign government regarding such property. These actions are not exclusive and are independent of alternative legal grounds that support the tax exemption afforded herein.

Specially Designated Global Terrorist Designations of Tren de Aragua, Mara Salvatrucha, Cartel de Sinaloa, Cartel de Jalisco Nueva Generacion, Carteles Unidos, Cartel del Noreste, Cartel del Golfo, and La Nueva Familia Michoacana

Acting under the authority of and in accordance with section 1(a)(ii)(A) of Executive Order 13224, as amended (“E.O. 13224” or “Order”), I have determined that the persons known as Tren de Aragua (also known as Aragua Train); Mara Salvatrucha (also known as MS–13); Cartel de Sinaloa (also known as Sinaloa Cartel, Mexican Federation, Guadalajara Cartel); Cartel de Jalisco Nueva Generacion (also known as New Generation Cartel of Jalisco, CJNG, Jalisco New Generation Cartel); Carteles Unidos (also known as United Cartels, Tepalcatepec Cartel, Cartel de Tepalcatepec, The Grandfather Cartel, Cartel del Abuelo, Cartel de Los Reyes); Cartel del Noreste (also known as CDN, Northeast Cartel, Los Zetas); Cartel del Golfo (also known as CDG, Gulf Cartel, Osiel Cardenas-Guillen Organization); and La Nueva Familia Michoacana (also known as LNFm) are foreign persons that have committed or have attempted to commit, pose a significant risk of committing, or have participated in training to commit acts of terrorism that threaten the security of United States nationals or the national security,

foreign policy, or economy of the United States.

Consistent with the determination in section 10 of E.O. 13224 that prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously, I have determined that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

This determination shall be published in the **Federal Register**.

AGENCY: Office of the United States
Trade Representative.

ACTION: Request for written submissions
from the public.

SUMMARY: Section 182 of the Trade Act
 of 1974 (Trade Act) (19 U.S.C. 2242),
 requires the United States Trade
 Representative (USTR) to identify

 provisions in the trade act.) In addition,
 the USTR is required to determine
 which of these countries should be

 priority foreign country are normally the

 Section 301 provisions of the trade act.
 Section 182 of the Trade Act contains a
 special rule for the identification of
 actions by Canada affecting United
 States cultural industries.

USTR requests written submissions
 from the public concerning foreign
 countries' acts, policies, and practices
 that are relevant to the decision whether
 particular trading partners should be
 identified under Section 182 of the
 Trade Act.

DATES: Submissions must be received on

TENNESSEE VALLEY AUTHORITY

Allen Aeroderivative Combustion Turbine Project

AGENCY: Tennessee Valley Authority.

ACTION: Record of Decision.

SUMMARY: Tennessee Valley Authority (TVA) has decided to implement the preferred alternative identified in its Final Environmental Impact Statement (EIS; Document ID EISX–455–00–000–1730803146) for the construction and operation of six aeroderivative combustion turbine (CT) units at its existing Allen CT facility located in Memphis, Tennessee. Under the preferred alternative, TVA would construct and operate the new units to generate approximately 200 megawatts (MW) of power to provide dispatchable generation to support the continued system load growth experienced in the TVA power service area and increase the flexibility and reliability of TVA’s power system by improving TVA’s transmission system stability in western Tennessee.

FOR FURTHER INFORMATION CONTACT:

Matthew Higdon, NEPA Specialist, Tennessee Valley Authority, 400 West Summit Hill Drive, Knoxville, Tennessee 37902; telephone 865–632–8051; email mshigdon@tva.gov. The Final EIS, this Record of Decision, and other project documents are available on TVA’s website at <https://www.tva.gov/allenct>.

SUPPLEMENTARY INFORMATION: This notice is provided in accordance with the National Environmental Policy Act (NEPA), as amended (42 U.S. Code [U.S.C.] §§ 4321 *et seq.*) and TVA’s NEPA procedures (18 CFR part 1318).

TVA is a corporate agency and instrumentality of the United States that provides electricity for 153 local power companies (LPC) serving approximately 10 million people as well as directly serving commercial, industrial, and government customers in the Tennessee Valley—an 80,000-square-mile region comprised of Tennessee and parts of Virginia, North Carolina, Georgia, Alabama, Mississippi, and Kentucky.

Planning Basis and Assumptions

In 2019, TVA completed its IRP and associated IRP EIS. The 2019 IRP identified various energy resource options that TVA may pursue to meet the energy needs of the Tennessee Valley region over a 20-year planning period. The strategic direction established by the 2019 IRP and results from recommended near-term actions formed the basis for TVA’s asset strategy, which continues to support affordable, reliable, and cleaner energy for customers. The 2019 IRP recommendation optimizes TVA’s ability to create a more flexible power-generation system that can successfully meet changing load demands and integrate increasing amounts of

Acting under the authority of and in accordance with section 1(a)(ii)(A) of Executive Order 13224, as amended ("E.O. 13224" or "Order"), I hereby determine that the persons known as Los Choneros (also known as The Choneros, Aguilas, Fatales); and Los Lobos (also known as The Lobos, Los Lobos Drug Trafficking Organization) are foreign persons who have committed or have attempted to commit, pose a significant risk of committing, or have participated in training to commit acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States.

Consistent with the determination in section 10 of E.O. 13224 that prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously, I determine that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

[Docket No. FD 36943]

Harrison County Railroad Authority— Change of Operators Exemption—Gulf & Ship Island Railroad LLC

Harrison County Railroad Authority (HCRA), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to replace Gulf & Ship Island Railroad LLC (GSIR) as the operator over approximately 5 miles of rail line (the Line), which is part of a line of railroad commonly known as the Seaway Lead and is controlled via ownership and a lease by Harrison County Development Commission (the County), a noncarrier. The Line extends between a point approximately 800 feet east of U.S. Highway 49 on the Seaway Lead, and the end of the Seaway Lead at Bernard Bayou Industrial Park at or near Gulfport in Harrison County, Miss.

According to the verified notice, GSIR, the current operator of the Line, and the County have terminated their agreement, and HCRA will become the new operator of the Line. HCRA states that it is a subsidiary of the County, which voted on June 30, 2026, to authorize HCRA to file its verified notice. HCRA represents that GSIR stated it would not oppose the change of operating authority, which will release GSIR from its common carrier obligation.

HCRA certifies that its projected annual revenues as a result of this transaction will not result in the creation of a Class II or Class I rail carrier and will not exceed \$5 million. HCRA also certifies that the proposed transaction does not impose or include an interchange commitment. Under 49 CFR 1150.32(b), a change in operators exemption requires that notice be given to shippers. HCRA certifies that it has provided a copy of its verified notice to all customers on the Line.

The transaction may be consummated on or after July 30, 2026, the effective date of the exemption (30 days after the verified notice was filed).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed by July 23, 2026 (at least seven days before the exemption becomes effective).

Specially Designated Global Terrorist Designations of Tren de Aragua, Mara Salvatrucha, Cartel de Sinaloa, Cartel de Jalisco Nueva Generacion, Carteles Unidos, Cartel del Noreste, Cartel del Golfo, and La Nueva Familia Michoacana

Acting under the authority of and in accordance with section 1(a)(ii)(A) of Executive Order 13224, as amended (“E.O. 13224” or “Order”), I have determined that the persons known as Tren de Aragua (also known as Aragua Train); Mara Salvatrucha (also known as MS–13); Cartel de Sinaloa (also known as Sinaloa Cartel, Mexican Federation, Guadalajara Cartel); Cartel de Jalisco Nueva Generacion (also known as New Generation Cartel of Jalisco, CJNG, Jalisco New Generation Cartel); Carteles Unidos (also known as United Cartels, Tepalcatepec Cartel, Cartel de Tepalcatepec, The Grandfather Cartel, Cartel del Abuelo, Cartel de Los Reyes); Cartel del Noreste (also known as CDN, Northeast Cartel, Los Zetas); Cartel del Golfo (also known as CDG, Gulf Cartel, Osiel Cardenas-Guillen Organization); and La Nueva Familia Michoacana (also known as LNFm) are foreign persons that have committed or have attempted to commit, pose a significant risk of committing, or have participated in training to commit acts of terrorism that threaten the security of United States nationals or the national security,

foreign policy, or economy of the United States.

Consistent with the determination in section 10 of E.O. 13224 that prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously, I have determined that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

This determination shall be published in the **Federal Register**.

 - Enhance the quality, utility, and clarity of the information to be collected.
 - Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of Proposed Collection

The information requested will be used to support entry of the name of a minor (an unmarried, unemancipated person under 18 years of age) into the Children's Passport Issuance Alert Program (CPIAP). CPIAP provides a mechanism for legal parents or other persons with legal custody of a minor to obtain information regarding whether the Department has received a passport application for the minor. This program was developed as a means to prevent international parental child abduction and to help prevent other travel of a minor without the consent of a legal

parent or legal guardian. If a minor's name and other identifying information has been entered into the CPIAP, when the Department receives an application for a new, replacement, or renewed passport for the minor, the application may be placed on hold for up to 90 days and the Office of Children's Issues may attempt to notify the requestor of receipt of the application. Form DS-3077 will be primarily submitted by a legal parent or legal guardian of a minor. This collection is authorized by 22 CFR 51.28, which is the regulation that implements the statutory two-parent consent requirement and prescribes the bases for an exception to the requirement.

Changes Since Last Renewal

- Section 2 of the DS-3077, documentation of Parentage, Guardianship, Legal Custody OR Authority to Act on Behalf of a Parent or Legal Guardian, as applicable: Option to select Consular Report of Birth (CRBA) deleted. 2023 88 FR 41024 (22 CFR 51.28 revision) removed the CRBA as evidence, by itself, of a parental relationship, sole parentage, and/or custody.
- The Privacy Act Statement was shortened and edited for plain language.
- The updated DS-3077 fillable form will now allow the requester an e-signature option to type their name in the signature box in lieu of an ink signature in part 3 of DS-3077.
- Eliminate references to transmittal by fax.
- Allow for a web-based version to exist for online submissions.

Methodology

The completed Form DS-3077 can be filled out online and printed or completed by hand. The form must be manually signed and submitted to the Office of Children's Issues by email or mail with supporting documentation. Retyping the signer's name using a digital device is as acceptable as signing with pen and paper.

Response to Public Comments

There was one public comment in response to the 60 day notice. The commenter expressed a preference for an exception to personal appearance of a minor passport applicant which is not a requirement of the DS-3077 information collection.
