2024 Winner: Hanna L.; South Carolina

"I painted a picture of the world as a puzzle. The picture shows a park with a playground and a mom walking along the path. However, there is a missing piece in the puzzle - her missing child. Also, there is a hand - the hand to correct this picture by helping to return the child to where he belongs. My picture symbolizes how the world is not complete until missing children return home. Those who help bring them back change the whole picture completely."

The statewide poster contest winner will be invited to Florida Missing Children's Day which will be held on September 8, 2025, in Tallahassee, Florida. The poster contest winner will receive an award and prize package during the ceremony.
