CURRICULUM STAFF VISITS ACADEMIES

From left: Director Jay Romine, Director Mike Simmons, Manager Garrett Riggs, Developer Madeline Aultman, Developer Amanda Pelaez Vela, Assistant State Attorney Conrad Juergensmeyer, and Lead Instructor Jacob Merrill at the new law enforcement training facility for Manatee Technical College and the City of Bradenton.

Staff members who develop the basic training curriculum visited three training academies in February while they were in the Manatee and Hillsborough areas for a workshop with the Law Enforcement Advisory Committee. Staff toured the facilities at Manatee Technical College Criminal Justice Academy, Hillsborough Community College Criminal Justice Institute, and Hillsborough County Sheriff's Office Training Academy, which represent three different types of academies certified by the Criminal Justice Standards and Training Commission (CJSTC). The CJSTC's academies include training centers housed at criminal justice agencies, the state college system, and technical colleges, which are part of the K-12 school system. Being able to see the differences in academies helps staff better understand the challenges each type faces as well as the resources available to them. These visits help staff do a better job developing curricula that includes activities that are appropriate for both the target audience and the learning environment.

Hillsborough Community College Criminal Justice Institute Director John Meeks greets the curriculum development team.

During the visits, staff observed recruits participating in scenarios to help prepare them for responding to domestic violence calls. They also observed practical exercises in several high liability areas, such as being exposed to OC spray, vehicle operations, defensive tactics, and firearms training.

Graduation of Florida Leadership Academy Class 59

The Florida Criminal Justice Executive Institute (FCJEI) is proud to announce the graduation of the Florida Leadership Academy (FLA) Class 59 on April 11, 2025. The academy was hosted by the Escambia County Sheriff's Office and the FDLE Pensacola Regional Operations Center. Participants met for four, week-long sessions from January to April. All 45 class participants serve in leadership roles that represent 34 criminal justice agencies throughout the state.

FLA's goal is to prepare first-line criminal justice supervisors to be effective leaders while also building the character and integrity of criminal justice professionals. FLA participants learn the skills necessary to support the needs of their agencies and communities.

The FCJEI launched FLA Class 60 in May 2025, which is hosted by the Clermont Police Department. After Class 60 graduates, Class 61 will begin in September 2025 and will be hosted by the Boynton Beach Police Department.

Florida Law Enforcement Analyst Academy Certifies 31 Analysts

The Florida Law Enforcement Analyst Academy is proud to announce the graduation and certification of 31 law enforcement analysts on March 14, 2025. Analysts who attend the academy typically meet one week a month for six months; however, due to two hurricanes and a tornado, their training was stretched over nine months. The analysts were challenged with weekly assignments and quizzes, group and individual projects, and a comprehensive final exam. Successful graduates are designated by the Florida Department of Law Enforcement (FDLE) as a Certified Law Enforcement Analyst.

The Florida Law Enforcement Analyst Academy was developed by FDLE in 2003; its goal is to provide analysts the opportunity to sharpen their criminal and intelligence analysis skills. The curriculum for this academy is frequently updated to ensure that it remains relevant with the ever-changing world of technology. The academy provides resources and tools to assist the analysts in their mission to predict and prevent criminal activity. With the graduation of this class, 38 academies have been delivered, and 897 analysts have been certified.

Graduation of Senior Leadership Program Class 27

The Florida Criminal Justice Executive Institute (FCJEI) is proud to announce the graduation of its 27th Senior Leadership Program class on May 16, 2025. All 32 graduates represent criminal justice agencies from across the state.

Participants met for seven weeks over a 10-month period. During this time, graduates attended classes on topics such as Leadership for Reducing Organizational Stress, The Power of Trust-Based Leadership, and Introduction to Foresight as it relates to criminal justice.

The Senior Leadership Program's goal is to prepare Florida's criminal justice leadership for the inevitable challenges and changing demands of the future. Class participants studied the trends and events that will challenge the state and its criminal justice professionals in the coming years. They have acquired the leadership skills necessary to tackle these difficulties and are ready to create positive change and lead through any challenge that lies ahead.
