CRIMINAL JUSTICE STANDARDS AND TRAINING COMMISSION **TECHNICAL MEMORANDUM 2026-08**

DATE: March 11, 2026

TO: Criminal Justice Agency Administrators
Criminal Justice Training Center Directors
Criminal Justice Selection Center Directors

FROM: Director Chad Brown 
Criminal Justice Professionalism, Standards and Training Services Division

SUBJECT: Approval of Specialized Course, #3031, Selective Traffic Enforcement Program
Course for Traffic Enforcement Camera Systems

This technical memorandum announces the approval of the new 24-hour Specialized Course, #3031, Selective Traffic Enforcement Program Course for Traffic Enforcement Camera Systems.

In 2023, House Bill 657 was approved by the legislature to require the Florida Department of Transportation (FDOT) to set standards for speed detection systems (SDS) and authorize traffic infraction enforcement officers to enforce SDS school zone violations.

Commission staff worked with subject matter experts (SMEs) to develop a new curriculum to include instruction on how to enforce SDS school zone violations in addition to red-light camera violations. The new curriculum also includes updated notice of violation, affidavit, and uniform traffic citation examples for both camera system violations.

On February 19, 2026, the Criminal Justice Standards and Training Commission (CJSTC) approved the new course which went into effect immediately. Instructors can find the course on FDLE's course materials website via ATMS or by visiting: <https://www.fdle.state.fl.us/ATMS/>.

If you have questions about the approval of this course, please contact Training and Research Manager Jamie Peeters at JamiePeeters@fdle.state.fl.us or (850) 410-8608.
